Extract from the Proceedings of the Sudr Adalut under date the 13th September 1834.

Read Extract from the minutes of Consultation dated the 5th Instant in the Judicial Department conveying the orders of the Right Honorable the Governor in Council upon the letters from the Sudr Adalut dated 10th June 1833 relative to the classification of the

Munsiffs:

2 - - - - By the 1st Para of the above minutes of Consultation, it is shewn that the Regulation for remunerating the District Munsiffs by fixed monthly salaries has been passed by the Governor General of India in Council, and that the proposed rates of allowances have been approved viz 140 Rupees per mensem as the salary of each Munsiff of the 1st class with 85 Rupees for his Establishment, 115 Rupees per mensem as the salary of each Munsiff of the 2d class with 70 Rupees for his Establishment & 100 Rupees per mensem for each of the 3d class with 60 Rupees for his Establishment

In

5

3 - - - - In the 2d Para the expediency of revising the location of the existing Munsiffs is adverted to, so as to place in the first class the most distinguished for ability and integrity and the others successively in the 2d & 3d classes according to their merits.

4 - - - - In the 3d para it is stated to be the opinion of the Right Honorable the Governor in Council that periodical changes in the classification of the District Munsiffs would be inexpedient, & that degradation from a higher to a lower class is a fit provision for the punishment of idleness.

considering dismiſsal from office too severe except for groſs and continued neglect of duty after repeated animadversion, the degradation or dismiſsal being subject to the approval of the Provincial Court -

5 - - - . As intimately connected with subject, the Court would here advert to Para 8 of the letter from the Secretary to Government in the Judicial Department dated the 12th April 1833, stating that the Right Honorable the Governor in Council "entirely concurs with the Judges "in thinking that the nomination "of the Establishment of the "District Munsiffs should be "vested in the Zillah Courts, who

"who should have full control "over them subject to the Super"intendence of the Provincial Courts.

6 - - - . With the view of carrying the intentions of the Right Honorable the Governor in Council into effect the Court of Sadr Edalut resolve that copy of Paras 1.2.3. of the above minutes of consultation be furnished to the 4 Provincial Courts of Appeal, & that copy of the 4 & 5 be also furnished to the Provincial Court in the Western Division with Extract of these Proceedings by Receipt returnable without delay.

7 - - - . The 4 Provincial Courts will on receipt of Extract

of these Proceedings put into preparation with reference to the orders of this Court of the 3d May 1833 (Copy of which & of the Statement referred to will accompany these proceedings) in communication with the Several Zillah and Assistant Judges, the measures that will be required on the promulgation of the Regulation to fulfil the intentions of Government. But it is to be clearly understood that no alteration in the existing mode of paying the Munsiffs is to take place until the Regulation in question reaches the Provinces.

8 - - - The provisions of Para 3 of the Minutes of consultation will

will, it is expected, be particularly regarded.

Extract from the Minutes of consultation under date the 5th September 1831.

The Governor General in Council having passed the Regulation for remunerating District Munsiffs by fixed monthly salaries instead of fees, and approved the rates of allowances proposed to be granted to them according to the Classes in which they may be placed viz

| | Pay Rs | allowance for Establishment Rs |

from the Sadr Adalut relative to the Classification of the Munsiffs.

2 - - - It appears to the Governor in Council to be expedient to take this opportunity to revise the location of the existing Munsiffs so as to place in the 1st class those who are most distinguished for ability and integrity and the others successively in the 2d & 3d Classes according to their merits - The new arrangement should be submitted by the Zillah or Assistant Judges to the Provincial Courts for their sanction with a full explanation of the reasons of the proposed changes -

3 - - - Referring to the observations of the Sadr Adalut in the 5th para of the letter under consideration the Governor in Council observes that periodical changes in the classification of the District Munsiffs would be inexpedient, but degradation from a higher to a lower class he conceives to be a fit provision for the punishment of idleness. Dismissal from Office he thinks would be too severe except for gross & continued neglect of duty after repeated animadversion - Degradation as well as Dismissal should be subject to the approval of the Provincial Court

Reports of the Examiner of Claims ( " 8th July 1868 Nos. 716 & 71)

Order thereon 3d. August 1868 No. 245.

The above are applications for Pension and Gratuity respectively on behalf of Rama Rao late Head Gomastah and Chakrapani Raja late Gomastah on the Establishment of the Distt. Munsiff's Court of Turrior in the Trichinopoly District. In both these cases the applicants were paid from a lump sum until 1862 but it is explained that the form of the Establishment was laid down and raised by the Civil Judge, not the Munsiff, and that he appointed both these persons to their respective posts. This Explanation removes the cases of employés in the District Munsiffs' Court from the operation of the rule refusing pension to those paid from contract allowances.
