Memorandum

The delay in the submission of the accompanying compassionate Roll of No 774 - arose as follows;

The constable was with some others sent to the Doctor on the 4th of November last - and having been certified as unfit for further service, he was discharged at once - and the man went away. Shortly after, when the Roll was being made out, the Doctor's certificate was found missing. Enquiries were made regarding the man - with a view - if found - of sending him to the Doctor for a duplicate certificate, but as he was not to be found the Roll was kept back - until this day, he arrived and presented himself was sent to the Doctor and a Certificate obtained -
