Read the following letter Papers.

From the Ag. Inspector General of Police (Here, enter 25th June 1868 N^o 2949)
Report of the Examiner of Claims (— 16th July 1868 N^o 758)

Order thereon 5th September 1868 N^o 295.

The Governor in Council is unable to accept the medical certificate granted by Dr. Macpherson to the applicant for pension in the foregoing case. It would appear that the man has not been under treatment, but has been certified to be unfit for further service on a single examination while the grounds alleged, ^{was} old age, ⁴⁸, and general debility, seem to call for more close observation. It is doubtful whether the "general debility" might not be removed by medical care and a relaxation

relaxation from duty. The Govern-
ment cannot ^{observe} ~~help~~ feeling that
the interests of the state are not
sufficiently ^{considered} weighed when ap-
plicants are pronounced on such
grounds, and on no more than a
single examination to be disquali-
fied for the public service
and are thus brought on the
Pension List.

2. They resolve therefore
to request that the Inspector
General Indian Medical Dept.
will cause a Medical Committee
to assemble (before whom Shait
Kusfain will be directed to
appear) and, after exami-
nation of his case, to report
whether he is really disquali-
fied for further service.
