Honored Sir

I, the late Nazir of the Civil Court and residing at Bellary humbly beg that your honor would be pleased to take the following circumstances of my humble petition into your honor's kind consideration.

1. Mr Sullivan the late Judge of this District has in his letter of the 25th February 1868, recommended me to your honor for pension against my wishes and also when I am happily blessed with a healthy constitution to perform the duties I am entrusted with to the satisfaction of my superiors. I humbly beg that justice may be done to me after the perusal of enclosures by your honor, my petition to the present Acting Civil Judge that I may be reinstated and his endorsement to the same; my petition to the Government on this very subject; and Testimonials from sixteen Judges for my honesty and faithful service.

2. I submissively ask that your honor would be pleased to consider these enclosures with the letter, wherein I am recommended for pension and still more implicitly do I ask that your honor would be pleased to forward these enclosures to ~~(his)~~ His Excellency with your recommendatory letter for pension. If I have already been recommended to the Government for pension by your honor I beg that these also may be sent.

3. Your Honor would be fully acquainted with the circumstances

of my case on perusal of the herein enclosures. I humbly hope that I may be recommended to the Government for reinstatement after my being certified by the Medical Authorities to the effect that I am physically fit to perform my duties. Notwithstanding that my successor has been confirmed in his new capacity (contrary to the proceedings of the Government) previous to the receipt of the orders for my pension from the Government. I entirely place confidence in your Honor that justice might be done to me.

Your most Obedient servant.

The Late Nazir of the Civil &
Session Courts Bellary -

To

The Right Honorable The Governor in Council
Madras.

May it please your excellency.

I, the late Nazir of the Civil and Sessions Court of Bellary, Badunhutty Muddoo Row residing at Bellary beg to bring to your excellency's notice few items to rebut the grounds on which Mr Sullivan the late Civil and Sessions Judge of Bellary has, in opposition to my wishes, recommended me for pension.

2 Presenting a petition to the present Acting Civil and Session Judge C. B. Irvine esquire, on the first July 1868 to the effect that his predecessor Mr Sullivan has recommended me for pension when my constitution was sufficiently sound as to allow me to discharge my duties properly, that the present Acting Judge might be pleased, to reinstate me after ascertaining from the medical authorities here whether my age has incapacitated me to such an extent as not to allow to carry on my duties effectually and that if he is not so disposed, he might be pleased to forward my petition to your Excellency. The present Acting Civil and Session Judge was pleased to order on the 14th July that I may, if disposed, forward it to your Excellency. Therefore I humbly beg to be pardoned for sending in directly this petition and public copies of the petition I presented and of the order thereon. In these I have laid in my circumstances very clearly. As the letter of the late Civil and Session Judge to the accountant General recommending me for pension

was sent long ago. I guess it might now be at your disposal. If my conjecture is aright or otherwise I humbly crave that your Excellency would be pleased to read this with the letter referred to.

3 I have here mentioned more facts than in my petition to the present acting Judge, hoping that justice might be done to me after your Excellency's kind Consideration.

4 In support~~ing~~ of my statement that the late Judge has forced the resignation from me, I beg to draw your Excellency's notice to the following facts; persons older than myself holding their respective appointments in the very Court I was employed; my successor, a Goomastah, being confirmed in his new capacity previous to the receipt of the orders for my pension (which confirmation is ~~[illegible]~~ I need not say Contrary to the proceedings of the Government); and sending in the recommendatory letter for my pension not even waiting for my speedy return to Bellar to given my height and measurement. from these facts your excellency may gather that the late Judge has hastily and against my wishes recommende me for pension. His hastiness may be attributed to the reasons I adduced in 3rd and 4th Paras of my petition to the present acting Judge. The very fact that the late Judge was pleased to recommend me for pension without filling in the Column of "height" and measurement," (which omission as far as I know is odd an unusual) indicates the late Judge's hastiness in settling with me. The late Judge has recommended me for pension noticing only my long service and not

my age. He mentions in his own letter that I was 19 years old on the date of my first appointment and also that my 36 years service since shows that I am fifty five years old. I am a man of strong constitution. If ordered to be in person for the examination of strength I shall most gladly and promptly obey orders. Or else I wish that the judge here might be directed to ascertai the same fact, on examination from the medical authorities at this station. The authorities here have thus forced me to apply for pension without sending me to the doctor for examination on the plea that all servants (quite indifferent to the fact whether one is physically fit to discharge his duties or otherwise) of 31 years standing need not be sent to the doctor for examination previous to recommending for pension. For whatever length of time a man may serve still he should look for pension as his last prop. I am very glad to retire from duty on the reward I would get for my long faithful service. The only fact that makes me feel a little indisposed to give up my post for the present ~~to~~ is that I have a very large family to support—a family of 7 sons, daughters and their children amounting to twenty—especially in these days when everything is so very dear and also when my income would be a great deal lessened. Had I other sources of income except the bare sum I may be promised hereafter as pension, I would not in the least scrupple to retire from the cumbersome duty of Nazir and at the same would not have had the least tendency to give your noble Excellency this bother which in my present circumstances cannot help to forego. I am quite sanguine that my request would be considered as just in your Excellency's Consideration. Forcing wages is not only a loss to me but to the Government as well especially when I, the present incumbent, am quite physically fit to do my duties:

5 Mr. Sullivan the late Judge of this district in recommending me for pension has in his letter of the 25th. February 1868 mentioned some facts which I cannot help but rebut in these few lines below. I humbly beg to be pardoned for the liberty taken. 1st. The Judge accuses me in the 6th Para of his letter that a certain person had preferred a complained against me to him in the open Court, in explanation to this I hope that your honour would be pleased to refer to the 4th and 8th Paras of my petition to the present acting Judge.– And I beg to bring to your Excellency's notice that a hazir duties were much lessened after the introduction of the new Mofussil Police. Mr. R Davidson's testimonial herein entered quite elucidates this fact– "owing to the appointment of Court Inspector the duties of hazir are now reduced to little more than paying Batta to witnesses and performing the ordinary Civil Execution work attached to the office. This B. Muddoo Row has performed satisfactorily". (Sd) R. Davidson. When such is the case how would I have any oppertunity to solicit an illegal gratification– I beg that your Excellency would be pleased to read 4th and 8th Paras of my petition to the present acting Civil Judge. In order to show that I had been very faithful in the discharge of my duties when as a hazir had several things to attend to, I herein copy the testimonial given to me by T. L. Strange Esquire the late Judge of the High Court– "The hazir Badanhatty Muddoo Row has conducted himself to my entire satisfaction. I have found him diligent and fair to all in the discharge of his duties as well as attentive to the interests of Government, and in an office that might lead to raising of dissatisfaction he has never been made the subject of a complaint to me. (Sd) T. L. Strange". 2ndly. The Judge in the same 6th Para states that I have lost all my teeth, and my articulation is indistinct. My teeth fell in the prime of my life viz about thirty years ago. Since losing my teeth I held the different appointments of a Tavalinevis, Criminal Record Keeper, and hazir. While in these capacities no Judge did as yet make any remark of deficiency in pronunciation– Even Mr. Kindersely the last permanent Judge was not pleased to pass any such opinion. 3rdly. The Judge says in his letter that reasons are not quite distinctly stated when my salary was changed to Rs 14 from Rs $17\frac{1}{2}$. In explanation to this I say although it is true that my name was entered in the pay abstract as drawing Rs $17\frac{1}{2}$ yet I used to receive Rs 8. and another man drew the remainder– the other, finding the sum, he drew to be quite inadquate gave it up. Then the sum of Rs $17\frac{1}{2}$ referred to was given to one that drew Rs 14 and his Salary Rs 14 was given to me and was confirmed in the post. This fact is very clearly entered in the Diary. Sufficient trouble was not taken to ascertain and report the true fact if required, I will show the reference. 4thly The Judge in his

Court and present Civil and Sessions Court from letter says that a certain individual had preferred to him a complaint against me in the open Court. Had the Judge really suspected me when the Complaint was preferred, how did he allow me to retain my appointment two months more. when I had left this station on private affairs the Judge being displeas with me as I did not give him an opportunity of taking my necessary measurement &c. he has thus reported a fact ungrounded and unsupported by record.

5th. I have herein sent copies of testimonial (printed that I had from sixteen different Judges under whom I had the honour to serve (am glad to say without any stain), to the effect that my merits, honesty, and conduct be fully made known to your Excellency.

6th. In conclusion I beg that your Excellency may be pleased to reinstate me after ascertaining from the Medical authorities the facts whether my constitution is sufficiently sound as to enable me to discharge my duties and my articulation distinct and also whether I would be fit for further effective service. I have none but your Excellency to look up for justice and protection.

From. The acting Civil and Session Judge of Bell

To. The accountant General Madras.

Sir. I have the honour to forward the Register of application for a Superannuation pension on behalf of Badanahutty Muddoo Rao, the late Nazir of the Civil and Session Court who is incapacitated, by old age, for further effective service.

2. B. Muddoo Rao was originally entertained on the 1st January 1832, when 19 years old, as Goomastah in the late Zillah Court of Bellary on a salary of Rs 8 per mensem which situation he held up to 31st July, being 7 months. From 1st August 1832 to 22d May 1833, being a period of 9 months and 22 days, he was employed as a Goomastah in the same Court on a salary of Rs 17½ per mensem. He was then reduced to a lower appointment of Rs 14 per mensem in the same Court, the cause of which is not recorded; this appointment he held for four months and 17 days, from 23rd May 1833 to 9th October. From 10th October 1833 to 30th September 1842, being 8 years, 11 months and 21 days, he was employed as a Goomastah in two grades in the Zillah Court on a salaries of Rs 21 and 24½ Rs. respectively. He held the post of Jababnivis in the same Court on a salary of Rs 28 per mensem for a period of 9 months from 1st October 1842 to 30th June 1843. His next appointment was that of Crimin Record Keeper which he held in the late Zillah Court and present Civil and Sessions Court from

1st July 1843 to 15th December 1844, being a period of one year 5 months and 15 days, on a salary of Rs 30. During a period of 11 years, 7 months, and 15 days, from 16th December 1844 to 31st July 1856 he was employed as Nazir of the Civil and Seſsions Court on a salary of 45 Rs. He was then ~~in~~ transferred to Sub. Court at Cuddapah where he was employed in a similar capacity on the same salary for two years, 3 months, and 17 days Commencing from 1st August 1856 to 17th November 1858. He was then reemployed in Civil and Seſsions Court of Bellary as Nazir on a salary of 45 Rs and Served in that Capacity for 9 years, one month and 13 days from 18th November 1858 to 31st December 1867 the date on which he retired from the service.

3rd. The applicants services from 1st January 183[illegible] to 10th October 33 being one year 9 months and 10 days. and those from 1st October 1842 to 31st December 1867 Comprising a continuous period of 25 years, and 3 months have been fully verified from the Records, his services during an interval of 8 years 11 months and 20 days, from 11th October 1833 to 30th September 1842 are not quite so distinctly recorded. There are entries however which show that in Jully 1835 he was a goomastah on a salary of 21 Rs. and that in August 1839 and October and December 1840 he was a goomasta on 24½ Rs. Nothing appears on record to show that he was ever out of employment by dismissal, suspension or from many other Cause during the entire period of his service it is presumed that it was Continuous.

4 The period of leave forming the second item and marked thus ✻ in the detailed statement of leave given in the Register Consists of the interval between his delivering over charge in this Court and his joining his appointment in the Sub Court of Cuddapah. The records simply show that leave was granted to him by the Civil Judge of Cuddapah to whose Court he was considered to have been attached from the time he delivered over charge in this Court.

5. The applicant is believed to have borne a good Character thoughout as he holds testimonials to that effect and no remarks to the Contrary are recorded against his name.

6. I think it however right to state that a Complaint was preferred against him before me in open Court by the prosecutor in a Criminal Case tried at the October Seſsions who Charged him with soliciting an illegal gratification. I have but little doubt that the accusation was founded on fact, but taking his long service and previous good character into consideration I contented myself with directing him to send in his resignation of the post for the duties of which he was incapacitated by age and infirmity. He has lost all his teeth and his articulation is in consequence most indistinct.

7. Owing to his absence from the station his height and descriptive marks have not been entered in the Register. These omiſsions will be supplied on his return. (Sd) H. E. Sullivan

Extract from a letter from the Civil Court of Bellary to the Acting Registrar to the Court of Sudr Udalut under date the 24th January 1853.

I beg to inform you that for the following reasons I consider it my duty to recommend that the District Munsiff of Culleandroog should be dismissed From his appointment.

Should the Judges sanction the dismissal of this officer, I beg to recommend Muddoo Row, the Nazir of this Court, to be appointed in his stead as being a person eligible for the apqointment and deserving of promotion Muddoo Row has been employed for 21 years in the Courts here and holds many testimonials for abilities and a good Character from my predecessors. Mr. Strange and other gentlemen under whom he has served, During the time that I have presided over this Court Muddoo Row has given me every satisfaction in the discharge of his duties, and from the knowledge he appears to possess of the Regulations and Circcular Orders and the routine of Civil business I have every reason to believe him to be a person qualified for the appointment of Munsiff. I beg to add that I would have recommended Muddoo Row for the vacant Munsifship of Cottoor but he was not willing to accept of the same because of the reported badness of the climate of that place.

The acting Civil and Session Judge of Bellary.

I served in the Judicial Department both in this and Cuddapah Districts for 36 years together, maintaining unexceptional character and have obtained certificates of good conduct and merit from all the gentlemen (named in the margin) under whom I served.

2. In November last, I was asked by the late Judge Mr. Sullivan, on the score of my unfitness for duty, to resign my post of Nazir at the risk of dismissal in case of my refusing so to do; whereupon I represented to him that I was capable of discharging the duties of my office for [illegible] therefore willingly resign my place and that finally I might be granted some 6 months leave. The Judge promising to grant me leave only for one month, desired me to put in my application for leave and required me at the same time to state in it that after the expiration of one months leave I might be regarded as having resigned the post. I was thus forced to draw up my application and put in.

3. I, for my part, quietly and without murmur drew up my petition as desired and presented it as ~~fist~~ first of all, I feared the consequences of my steadfastly refusing to do as the Judge bade me; 2ndly, as there was then a rumor that Mr. Sullivan was to be appointed to a different post; 3rdly as Mr. Kindersely, the permanent Judge of this place and one who well knew my conduct, merits and

Names of the Gentlemen under whom I served.

16. J. R. Kindersley Esquire Civil and Session Judge.

demerits, was expected back; 4thly. as I hoped to be restored to my place on Mr Kindersely's return.

4. I should consider it as nothing but my own misfortune that Mr Sullivan, then about to become Collector, having sent for me when I was away from Bellary on private affairs, should have thought that I wilfully failed to present myself before him and I purposely avoided the necessary measurements &c being taken of me for the filling up of the pension Roll according to rules, at the same time impeaching my character by mention of a few circumstances which are altogether unfounded and bear no evidence in the public records. It seems very strange that when cases in which there is complete evidence both oral and documentary for conviction, have been thought unworthy of belief, mere complaint should be taken for conviction in my case. If mere complaint made through malice or jealousy should be so potent in effect, I feel that no Government servant will ever boldly do his duty. Under most of the Zillah Judges and in due late Circuit Judges, my duties had been to take down depositions in their presence to point out the defects & inconsistencies in those received from Taluks – things now done by none but Judges. In this capacity notwithstanding my exposition to temptations, I served for not less than 24 years, and ever since I entered public service up to this day, my character has received no stain. That this is true, is proved by the certificates I have obtained from the late High Court Judge Mr Justice Strange and others.

5. Though my service extends over a long period, yet as I entered the public service rather early when I was young. My age does not come up to sixty years. I am now fifty five and being happily blessed with a healthy constitution, still feel strong enough to serve Government for some time longer. To test that I am so, I beg I may be subjected to doctor's examination.

6. That I am yet fit for service and have faithfully discharged my duties is proved besides by the certificate given by Mr Sullivan himself, by the one given by Mr Kindersely, the latest Judge.

7. If Mr Kindersely, the permanent Judge knew that I was unfit, for service, he could not have refrained from recommending me for pension and borne testimony to my having discharged the duties of my office satisfactorily.

8. As it is not likely that I, having served the Government so long as 36 years, maintaining unstained character, would have at a time when my services about to close with reward of pension done anything that would injure my character, I beg that the justice may be done to me.

9. It has not, so far as my knowledge goes, been usual under British Government to compel its servant before he ceases to be serviceable by reason of old age or infirmity, to apply for pension. Nor is it an advantage to government to pension its servant too soon and appoint another instead, since such a policy is a productione of ~~[illegible]~~ loss in money to Government and in means of livelihood to its old and faithful servant. I need hardly adduce instances of persons much more advanced in service and in age than I am, being still allowed to serve Government both in the Revenue and Judicial Departments. I therefore beg that to do justice to me you will be pleased to refer to such lists of servants to verify the above statement.

10. I most humbly and respectfully beg that this my humble petition may be submitted to Government for consideration regarding my restoration or that your honor yourself will be pleased to restore.

1st July 1868.

Your most obedient Servant

His next appointment was that of Criminal Record keeper which he held in the late Zillah Court and present Civil and Session Court from 1st July 1843 to 15th December 1844, being a period of one year, 5 months, and 15 days on a Salary of Rs 30. During a period of 11 years, 7 months and 15 days, from 16th December 1844 to 31st July 1856 he was employed as Nazir of the Civil and Session Court on a Salary of Rs 45. He was then transferred to the Sub Court at Cuddapah where he was employed in a similar capacity on the same salary for 2 years, 3 months and 17 days commencing from 1st August 1856 to 17th November 1858. 3. The Applicant's services from 1st January 1832 to 10th October 1833, being one year 9 months and 10 days, and those from 1st October 1842 to 31st December 1867 comprising a continuous period of 25 years, and 3 months have been fully verified from the records. His services during an interval of 8 years, 11 nths & 20 days, from 11th October 1833 to 30th September 1842, are not quite so distinctly recorded. There are entries however which show that in July 1835 he was a Goomasta on a Salary of Rs 21, and that in August 1839, and October and December 1840 he was a Goomasta on Rupees 24-8. As nothing appears on record to show that he was ever out of Employment by dismissal, suspension or from any other cause during the entire period of his service it is presumed that it was continuous.

4. The period of leave forming the 2nd item and marked thus * in the detailed Statement of leave given in the Register consists of the interval between his delivering over charge in this Court and his joining his appointment in the Sub Court

of

of Cuddapah. The records simply show that leave was granted to him by the Civil Judge of Cuddapah to whose Court he was considered to have been attached from the time he delivered over charge in this Court.

5. The Applicant is believed to have borne a good character throughout as he holds testimonials to that effect and no remarks to the contrary are recorded against his name.

6. I think it, however right to state that a Complaint was preferred against him before me in open Court by the Prosecutor in a Criminal case tried at the October Sessions who charged him with soliciting an illegal gratification. I have but little doubt, that the accusation was founded on fact, but taking his long service and previous good character into consideration I contented myself with directing him to send in his resignation of the post for the duties of which he was incapacitated by age and infirmity. He has lost all his teeth and his articulation is, in consequence, most indistinct.

	Rs.	A.	P.
In the last 5 years of his service the ~~average~~ pay of the applicant's permanent post was	45	"	"

Applicant is eligible to a good service pension of Rupees 22 . 8 " per mensem, equal to a moiety of his ~~average~~ salary during the last 5 years, under Clause III Section 67 section 7 of the Revised Pension Rules.

The applicants service of years 4-4-7 Vizt 3 years before his attaining 22 years of age until 31st Decr /34, and years 1-4-7 during which he was absent on leave, was not deducted by the Civil Judge from the total period of years 36 as requested in item 26 of Memo: from this Deptt dated 27 April /68. The correct net period is however given in this report herewith accompanying.

The applicant's period of service of 7 months deducted by the Civil Judge at foot of the statement of service, is wrong, as this 7 months is included in the period of 3 years deducted on account of service rendered before 22 years of age.
