Chingleput Civil Court

15th August 1868

From

W. J. Whiteside Esquire

Ap. Civil Judge of
Chingleput

To

The Honorable R. J. Ellis C.B.

Chief Secretary to Government
Madras.

Sir,

In acknowledging the receipt of the
Proceedings of Government of the 14th instant
N^o 261 (Pension Department) I have the
honor, with reference to the remarks in para
2. that I had neglected the express and
reiterated orders of Government by removing
the applicant from the effective establish-
ment before obtaining the prescribed
Medical Certificate of incapacity, to state
that on the 18th February 1868 the Peon
Narainasami Naidoo was examined at
my request by the Ap. Zillah Surgeon
Dr Cullinan who reported on the same date
that the man was suffering from Leprosy
of a very bad type, and that he was so
seriously affected by that disease that it
was unsafe to associate with him.

2. Under these circumstances I did not consider myself justified in retaining the man longer in public employ; he had, to my knowledge, suffered for such a length of time, & to such an extent from his loathsome complaint that for months he had been unable to do any work and his removal at last, on the 19th Feb^y, was an absolute necessity.

3. Dr. Cullinan had only recently arrived in this Country, and by mistake he reported the Deans incapacity for duty in the form of a letter, instead of in the strictly regular form of a Certificate. This mistake on his part was rectified as soon as the Examiner of Claims noticed it, but I would respectfully submit that the Certificate of unfitness for the further service of Government as originally furnished to me by Dr. Cullinan was sufficient to warrant my dispensing with the Deans services.

I have the honor to be

Sir,
Your Most Obedt. Servt

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter

From the Ag. Civil Judge of Chingleput (Here entered 16th August 1868 N^o 308.)

Order thereon 17th September 1868 N^o 308.

With reference to the above letter the Government remark that on receiving the letter of D^r Cullinan of the 18th February stating that Pon Narraiasami was not fit for duty, it was quite open to the Civil Judge, and his duty, at once to request the Civil Surgeon to send in a certificate in the proper form, while in fact he took no steps until May 15th when he acted on a requisition from the Examiner of Claims. This failure to obtain a certificate in the prescribed form, is the neglect of duty on which the Government animadverted. The order of

From Ag. Civil Judge of Chingleput

To the Chief Secretary to Government

Dated 15th Aug 6th 1868.

Submitted some explanation regarding the removal of late Pon Narraiasami from the office of Chingleput, much before obtaining the prescribed medical certificate of incapacity.

Government being, not that, a
letter satisfying the Civil Judge
that his subordinate was unfit for
duty should be obtained by
him, but a certificate of incapacity
in the prescribed form, for
prescribing which form the Govt.
had sufficient grounds.
