Madras, Master Attendant's Office
24 Nov 1857

In the year 1837, Teroovencatachary was entertained as a Writer in the late Boat Pay Office, from which period up to the present date (being in pursuance of the Government order to reduce the establishment) he has served in the Master Attendant's Office as Manager of the Disabled Boatmen's fund, as well as conjointly executing other duties temporarily.

Considering the nature of his duties, which required much care & experience, I consider him well qualified to fill the office of Cashkeeper, or deputy Manager in another office.

I confirm the foregoing recommendation

This is to certify that Therooven catta Charry has served under me as a writer in the Boat Pay Office for about 18 months he has at all times been diligent & attentive and has a very good character

This is to Certify that C. Teroovencata Cherry, Writer in the Master Attendants Department, is incapacitated for further service by reason of old age, gradually increasing debility and emaciation, and that the state of his health is not likely to be benefitted by any medical treatment

I also declare, that to the best of my judgment, his incapacity is not the result of vicious habits of any kind

Sir

I have the honor to submit, and to recommend for favorable consideration, the accompanying application in the prescribed form for a superannuation pension to a writer in my department named Colatoor Teravencatah Chary, who, it will be seen from the medical certificate appended, is incapacitated by old age and failing strength for further service

2 The applicant was first employed as a writer in the Boat paymaster's office in February 1837, but was discharged in August 1842 when the boat system was thrown open, and the Government ceased to

to be connected with it. He was, however, again entertained in the following month as a writer to keep the accounts of the Disabled Boatmen's Fund, and in this he remained ten years till November 1852, when in consequence of the declining state of the Fund from which he was paid, he had to be discharged.

3 He was then in private employ for 3 or 4 years, when he again entered the Government service in April 1856 as a writer in the Book depôt, Department Public Instruction. Here again he was unfortunate, for in April 1859 he was discharged on reduction, the depôt being made over to Messrs. Gantz & Co.

4 In June 1859, the Government having decided to run a monthly line of Steamers between Madras and Rangoon, I appointed the applicant a writer in the branch of the department connected therewith, but as the line could not be continued for want of Steamers he was again

again discharged on the 31st December 1860.

5 Finally for the fifth time he entered the service on the 16th January 1861 as a writer in the executive branch of this department, a post he still fills.

6 It will be for the Examiner of Claims to report whether the service of Yeravencatah Charry is such as to entitle him to pension. A portion undoubtedly can be admitted, but whatever the report may be I beg to solicit the favorable consideration of Government to the case, as his conduct has always been good, and he has been repeatedly thrown out of employment for no fault of his own.

7 On being discharged in 1842 he received a gratuity of Rupees 60, which in the event of a pension being granted he would of course be required to repay.

I have the honor to be

PROCEEDINGS *of the* MADRAS GOVERNMENT.

Read the following letter Papers.

From the Superintendent of Marine Madras } (Here enter 24th April 1868 No 1552)
Report of the Examiner of Claims (" 17th August 1868 No 893)

Order thereon 20th October 1868 No 341.

The applicant Colatoor Teroovencata charry late Clerk in the Master-Attendants Office, entered the Government service in 1837, and has four times lost his post by revision of establishments. His conduct has been good throughout.

The Examiner of Claims reports that out of 27 years 6m. 10d. service, only 11 y. 8 m. 10 d. qualifies for pension. His early service is stated to have been, in 1837, as a peon on Rupees 7, in 1838-40 as a Copyist on Rupees 7, and only in 1841-42 as writer on Rupees 12. He then received on becoming unemployed a Gratuity of Rupees 60 which

the

the Examiner of Claims reports to bar his claim to count his previous time as pension service. This view is ~~directly op~~= erroneous, being contrary ~~posed~~ to the Ruling laid down in the letter of the Govt. of India of the 8th April last, No. 2116 which was communicated to the Examiner of Claims and in which a case exactly parallel is commented upon.

The next period of service from September 1842 to Novr. 1852 10 yrs 3 months, the Examiner of Claims states he cannot verify the applicant: "but in the returns for 1852 he is shewn in the Master attendants' office as writer on Rs. 10" being entered in his application as drawing Rs. 10-8-...

The Examiner of Claims rejects this period with no further remark, and thus leaves only 11 y - 8 m. 10 d. service, which makes the applicant eligible only to gratuity. Were the period from 1842 to 1852 included, he would be eligible to pension.

The Government are not satisfied that all means have been used to ascertain the true status of the applicant during the 10 years in question, and ~~resolve to remit the case to the Examiner, for fuller report, if possible, on this period~~

Direct that the Examiner will again place himself in comm: with the Master Attendant with the view of ascertaining how the applicant was employed during that period. And a further report should be submitted without delay.
