ORDER THEREON, 13th February 1868, No. 37.

The Governor in Council is not satisfied with the medical certificate which accompanied the above application for gratuity. He observes that the applicant is stated to be 47 years of age, and that the certificate goes on to state that he is incapacitated by old age and infirmities consequent thereon from the further performance of duty. The infirmities necessarily consequent on the age of 47 are not many, and not such as to incapacitate for the performance of the duty of Deputy Jailer.

2. The certificate will be forwarded to the Inspector General, Indian Medical Department, who is requested to obtain from Mr. Nanney a detailed statement of the grounds on which he has certified to the old age and infirmity of the Deputy Jailer.

3. The Government remark that the question of medical certificates in pension cases was referred to Dr. Mackenzie on the 22nd November 1867, with a view to the preparation of instructions for circulation to Medical Officers.

To. The Examiner of Claims

Sir. With reference to para 14 of your
Memo: dated 30th August. Pension Report
Department. I have the honor to explain
that the amount of gratuity for
300 Rupees proposed for Byroge Row
late Jy. Jailer at this jail, was fixed
by the Inspector General of Jails ap.
parently under the erroneous impres-
sion that he was entitled to 6 months
salary as gratuity.

It was never intended that Byroge
Row should draw the salary of
50 Rupees a month & he was

appears to have drawn Rs 50 per mensem on his retirement
from service.

17-Explanation why Medical Superintendent was dated
4 June 1887 when the applicant retired from service
on 11 April 1887.

18- On the deletion of grounds of retirement & other than
those needed as denoted in off. B. at foot of the
first list of the Reg. of appn.

To Mr. A. C.

He draws Rs 226 at the

merely allowed to hold the appoint-
ment from the date the higher rate
of pay was sanctioned till 16th Aug 1867
until the present Dy Jailor was enabled
to join.

3 The pay of the grade was
raised by Government from 20 to 50
Rupees to enable me to obtain the ser-
vices of a competent man. I have
fixed in the amount of gratuity
calculated at 20 Rupees per mensem
but if you are of opinion that the
man is entitled to the higher rate
of 50 Rupees I have the honor to
request you will alter the amount
from 20 to 50 Rupees.

4 With reference to para 16 of your
memorandum under reply I have the honor
to observe that the order of Government
quoted by you appears to refer only
to cases when individuals are persuaded
and not when they receive a gratuity

5 - The Dy Inspector General Medical Depart-
ment resides at Lucknow and will not
probably visit this station for many
months. It would be a hardship
to insist upon the applicant appear-
ing at Lucknow & equally hard
for him to wait until the Dy Inspe-
ctor General Medical Department visits this
station. I shall feel obliged if you
will inform me what course should
be adopted under these circumstances.
The signature of the Dy Inspe. Genl is not
necessary if the gratuity is calculated
at 20 Rupees.

5 With reference to para 17 I have the
honor to inform you that there was a
change of Medical Officers at the
time - a wrong form of Medical Cer-
tificate was obtained & considerable
delay in referring the particulars
of the case for the consideration
of the Inspector General of Jails.

With reference to para 18 I have the
hon^r to state that it was found
necessary to obtain the services of
a competent person to perform the
duties of Dy Jailor & as these
could not be obtained on a salary
of 20 rupees a month, Government
(G. O. No 97 dated 16th January 1867)
on the recommendation of the Inspector
General of Jails sanctioned the salary
being increased to 30 rupees.
