*Proceedings of the Madras Government, Pension Department,
18th November 1868.*

Read the following letter from the Collector of Salem through the Examiner of Claims.
(Here enter 20th August 1868).

ORDER THEREON, 18th November 1868, No. 381.

It is observed from the foregoing Register that John Martin Pillai, late 4th English Clerk on the Collector's Establishment in the District of Salem, retired from the Service on the 4th February last, and that, in consequence of his application having been mislaid, no steps were taken to obtain the requisite medical certificate until he renewed his application on the 18th of June. The certificate was obtained on the 25th idem. It was subsequently returned by the Examiner of Claims, and a revised certificate furnished on the 8th September 1868 in accordance with the instructions laid down for the grant of certificates.

2. The delay in obtaining the medical certificate in the first instance is clearly owing to an oversight in the Collector's Office. The disease,* however, for which Martin Pillai has been pronounced disqualified for further service

* Leprosy.

is one which would have secured for him a medical certificate on the 4th February last. Under these circumstances, and in consideration of the good character which John Martin Pillai bore during his service of 7 years, 9 months, and 21 days, His Excellency the Governor in Council sanctions the grant to him of a gratuity of Rupees (245) two hundred and forty-five, to which he is eligible under Clause I of Section 6 of the Revised Pension Rules.

3. These Proceedings will be reported for the confirmation of the Government of India.

 The delay in submitting this application was owing chiefly to the applicants application having been mislaid in the office. On his renewing it on the 18th of June last steps were taken to obtain the necessary certificate from the Zila Surgeon and prepare the Return after the verification of the applicants service by the records in the office -

hereby Certify that, John

has been under treatment
for two years for Leprosy;
