Certified that I have
this day examined Chengalath
Kannagana Menon, and find
him suffering from General
Debility and impairment of
vision. These I believe not
to be attributable to any fault,
(as Intemperance) on his part
but to advancing Age and
long Service.

I consider him unfit
for further public Service.

Sir,

herewith
returned

With reference to your memo dated
26th May 1868, I have the honor to offer the
subjoined explanation:-

14. It was by a mistake on the part of the
despatching clerk in this office that the medical
certificate was not originally forwarded
with the register of application.

15. Applicant was retained in Government
service during the month of November 1867, as
he was during that period on sick leave on
half pay & therefore not doing effective
service. He has not therefore been worked
after he has been declared incapable by the
medical authorities.

16. The ^{period} during which applicant was on leave
on stoppage of full pay, $\frac{2}{3}$ & $\frac{1}{2}$ of pay are
noted in the register by *, @, and x, respectively
and a note to the effect is entered in the margin
of the Register. Stoppage of pay not made to the
full amount has generally been reckoned as
stoppage of half pay and has thus been entered
in my letter dated 18th ultimo No. 1588. Stoppage of
more than half pay has often been made in

order to secure the services of suitable substitutes
