The Executive Engineer Chittoor range has the honor to observe that there does not appear to have been any previous call for Detail 7. 15. was entered in Page 3.

A Government servant applying for pension necessarily vacates office on doing so, but his application was sent to the Superintending Engineer & returned by that officer, the applicant had then to travel to Chittoor, all which occupied a few days; the medical officer had no copy of Certificate, and further delay was caused by the necessity of making reference to the Range Officer who was absent from Head Quarters. 20. days does not seem a very long period for all this.

Superannuation Pension, equal to one third of the average Salary he has been in receipt of during the last five years. -

2 The prescribed Register
of application; and a Medical Cer-
tificate are herewith forwarded.

From the latter document it will be seen, that ^{the late} W. R. ^{then} ~~late~~ first Surgeon at Chittoor certified, that "Spiritagooontah & Varasiah ^{was} ~~is~~ unfit for further duties from old age and infirmity". This fact renders it undesirable that he should be retained any longer in the Service.

From the Conduct Register of the
North Arcot District Engineers Office,
Marasiah appears to have rendered
good service in the old Marabout
Department under the Collector,
and in the late District Engineer's
Office, and I beg therefore to sup-
port his application, and to recom-
mend that he be transferred to the
Pension

Pension Establishment retrospectively
from the 1st January 1868 the date from
which, owing to his increasing infir-
-mity, he ceased to attend to his duties.

3 The average salary of the ap=
- plicant for the first five years amounts
to Rupees 14-14-5 which under the
Rules would give him a pension
amounting to Rupees 4-15-5, but
which I trust may be called 5 Ru=

4 The Medical Certificate submit-
ted is not countersigned by the In-

this is not required in the case of
applicants drawing less than 50
