ORDER OF GOVERNMENT

[Faint, illegible handwritten text, possibly a list or ledger entries]

Explanation of Column 6 with quotations of orders of reinstatement.

Explanation of any degradation.

The 1st break in Panamkhal Krishna Menon's services was occasioned by the reduction of Land Customs establishments in April 1844 when he lost his appointment and remained unemployed until November 1846. In regard to the 2nd break the Collector of Malabar has been unable to ascertain whether P. Krishna Menon resigned his post or went on leave when he obtained a situation in the Deputy Director's Office in the Wynad. He ceased to draw pay in the Head Assistant Collectors Office from the 7th December 1850 and did not commence to draw pay in the Wynad Settlement party until the 1st January 1851. The interval of 7 days may be assumed to have been occupied in the journey from Calicut to the Wynad.

P. Krishna Menon was in consequence of a reduction in establishments transferred to a post of lower emolument than that previously held by him in May 1850 -

On the 7th February 1863 Panamkhal Krishna Menon forwarded a petition to the Collector of Malabar praying with reference to the Notification issued by the Board granted either a pension or a gratuity for disposal. He considered that the notification referred to by the petitioner was thrown out of employment while in the Notification referred to by the petitioner their situations on the introduction of Sec. 6 Clause 1, and Sec. 9 of the new Revenue establishments in the Provinces. His services were dispensed with at the time of the reorganization of the Wynad Settlement party on its transfer to Combarbaro in 1862 when only those servants who were acquainted with Tamil were retained and the petitioner being ignorant of that language would have been of no use. He appears clearly from a Certificate dated 5th May 1862 granted to him by the late Ag. Deputy Director, who states that he was a respectable, intelligent, and well conducted individual. As his services fall short of the period that would entitle him to pension by only 2 months and 5 days, I recommend the grant to him of a gratuity of Rupees 300 which is equal to 12 months average salary drawn by him during the 5 years previous to his retirement. He drew the salary of his last appointment viz. Rupees 50 for little more than 4 months.

REPORT OF THE *Examiner of Claims*

Service qualifying for pension is proved for a total period of... 15 5 6
Applicant is eligible to a gratuity of Rupees 300 equal to 6 months' salary under Section

of the ~~Revised~~ Pension Rules, should Government be pleased to accept the explanation of the Director of Revenue Settlements given in page 3 of the Register with reference to the break in applicant's service from 7th to 13th December 1860 and to the delay of 6 years, 3 months and 6 days in the submission of application. Although the register is prepared in the form applicable to applications under the new rules, it is forwarded to Government to avoid further delay.

Menon forwarded a petition to the Collector of Malabar praying with reference to the Notification issued by the Board granted either a pension or a gratuity for disposal. He considered that the notification referred to by the petitioner was thrown out of employment while in the Notification referred to by the petitioner their situations on the introduction of Sec. 6 Clause 1, and Sec. 9 of the new Revenue establishments in the Provinces. His services were dispensed with at the time of the reorganization of the Wynad Settlement party on its transfer to Combarbaro in 1862 when only those servants who were acquainted with Tamil were retained and the petitioner being ignorant of that language would have been of no use. He appears clearly from a Certificate dated 5th May 1862 granted to him by the late Ag. Deputy Director, who states that he was a respectable, intelligent, and well conducted individual. As his services fall short of the period that would entitle him to pension by only 2 months and 5 days, I recommend the grant to him of a gratuity of Rupees 300 which is equal to 12 months average salary drawn by him during the 5 years previous to his retirement. He drew the salary of his last appointment viz. Rupees 50 for little more than 4 months.

P. Krishna Menon gives no reason for delaying so long to apply for a gratuity. He probably did not, until lately, know that he had any claim to one and even the late Ag. Deputy Director may not have been aware that his case fell within the rules. The petitioner seems to have endeavored to obtain other employment and afterwards to have fallen sick. The delay in this office since the receipt of his petition is owing solely to the references to and correspondence with the Collector of Malabar in connection with the case.
