From

Acting Collector

To Lieut Colonel G. V. Winscom R. E.
Superintending Engineer, D. Division

Sir,

In reply to your letter No 156 dated 23rd September, I have the honor to inform you that all the estates therein referred to, were under attachment under the old Regulations for arrears of Peshcush, with the exception of the same estate which was under the management of the Court of Wards till the year 1850 when the minority of Zamindars ceased and the estate was retained under attachment for arrears of Peshcush.

2. In the year 1851 the same estate reverted to Government, all the other estates having reverted before that period, and from that time the salaries of the establishments retained for these estates were under orders of Government charged under the head "Extra Establishment" pending the preparation of a revised *Mogam Zabita* for the whole District.

3. With reference to the concluding part of your letter, I find that one Veda Ramasamy a shroff whose service of 25 years was nearly all in connection with these estates received a pension under orders of Government dated

14 February 1861 No 55.

To
The Under Secretary
to Government
Pension Department
Calcutta

Sir,

Referring to G.O. No 162 of 28th May
last, I have the honor to inform you that
from the accompanying copy of collector's
letter No 188 of 3rd Instant, it appears that
the estates to which H Janakeramiah's
salary was charged from 1845 to 1855
were under attachment, under the
old Regulations for arrears of Peshcush,
with the exception of the "Sivi Estate"
which was under the management of
Court of Waror, till the minority of
the Zamindar ceased in 1850; from
which period it was retained under
the attachment of arrears of Peshcush.
all these estates however reverted
to Government prior to year 1851.

2 By para 410, of the uncovenanted
servants Vademecum, the period
of

1 Enclosure

of employment on the Estates of the
kind above referred to count as
periods of service for pension - and
as a precedent, the Collector mentions
a case, of Veda Rannasawmy a shroff,
whose service of 25 years was nearly
all in connection with these estates.
G.O. No 55 of 14th February 1861 Pension
Department.

3. Even if the year 1851, when the
last of all estates reverted to Govern-
ment, be taken as commencement
of Jancker amiah's service, he has
completed the 15 years which en-
title him to a pension of $\frac{1}{3}^{\frac{2}{3}}$ of his
salary under the Pension Rules.

4. Under these circumstances, I
have the honor to request you will
have the goodness to place his case
before Government for their fa-
vorable consideration & with a
view to its being resubmitted to
Government of India, if necessary, for
final orders.

I have the honor to be
