This document he at last obtained in March 1868. The conduct of the applicant during the period of his service has been reported to be tolerably good, and I beg to recommend that pension equal to one-third of average salary per mensem, drawn by him during the five years preceding his retirement from service, may be granted to him by Government.

Applicant will be eligible to a pension of Rupees 13-12-0 per mensem, equal to one-third of his average salary during the last five years, under Clause II of Section 6 of the Revised Pension Rules, on the confirmation of the Medical Certificate by the Deputy Inspector General, Medical Department, on his visit to the station, should Government be pleased to accept the explanation of the Collector given in the remark column of the Register with reference to the cause of delay in submission of application until June 1868, and of the applicant's production of Medical Certificate on the 25th March 1868, instead of on or before his retirement from Government service. The sanction of Government of India to the grant is necessary.

As the applicant appears, from the bill on record in this office, to have drawn his pay only up to 28th February 1866, his total period of service (exclusive of the period from 1st to 14th March 1866 and that of his absence on leave) is years 22-10-24 as given in this report, and not years 22-11-8, as given by the Collector at foot of the statement of service. The average salary of the applicant for the last five years, under the foregoing reason, is Rupees 41-5-4 and not Rupees 41-7-7, as given by the Collector in item 16 of the Register.

*Proceedings of the Madras Government, Pension Department,
1st December 1868.*

I do hereby certify that I have this day examined T. Moonesawmy Moodelly, English Record-keeper in the Collector's Office of Cuddapah, and consider him unfit for further active service on account of old age and defective vision. He looks feeble and prematurely old, and his eye-sight is impaired by cataract.

Cuddapah,
25th March 1868.

(Signed) M. IYASAWMY,
Acting Zillah Surgeon.

ORDER THEREON, 1st December 1868, No. 409.

It appears from the Proceedings of the Board of Revenue above recorded, that Moonesawmy Moodelliar, late English Record-keeper on the establishment of the Collector of Cuddapah, was removed from his appointment on the 14th March 1866, because he was constantly sick and absent from duty, and utterly unfit for the office of English Record-keeper.

2. Moonesawmy Moodelliar's service is shown to have extended over a period of twenty-three years, two months, and fourteen days, and his age is stated to be fifty-five years.

3. It is observed that a Medical Certificate of his incapacity was not obtained until the 25th March 1868, or two years after the date of his removal. It is evident, however, from the Collector's Report, dated 11th August 1866, No. 125, that Moonesawmy Moodelliar was disqualified for the office of English Record-keeper, and as no steps were taken to provide him with some inferior situation, as desired by the Board of Revenue in their Proceedings, dated the 1st March 1867, he has been thrown out of employment, and his age now, (57 years), unfits him for the duties of any office. Under these circumstances, His Excellency the Governor in Council resolves, subject to the confirmation of the Government of India, to sanction the grant to Moonesawmy Moodelliar of a pension of Rupees (13-12-0) thirteen and Annas twelve.

4. The pension will have effect from the 1st March 1866, Moonesawmy Moodelliar having drawn pay up to the 28th February 1866, and not up to the 14th March.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th September 1866.

Read the following letter from H. G. SMITH, Esq., Collector of Cuddapah, to the Secretary to the Board of Revenue, dated 11th August 1866, No. 125:—

1. I have the honor to submit a report on the subject of the accompanying petition, No. 1,966 of 1866, presented by T. Munisawmy Moodelly, late English Record-keeper of my office.

2. This individual was nominated English Record-keeper on the 1st November 1858, and was placed ever since in charge of the records.

3. As there was no proper Index in the records, and as much difficulty was experienced by myself and my European Assistants whenever we had occasion to refer to the correspondence, I have directed him several times to bring up the Index, but he has entirely failed to do so. He is constantly sick and absent from duty, and has on several occasions been fined for such absences.

4. The Board of Revenue in their Miscellaneous Circular of the 27th September 1865, No. CXXX, (Board No. 6,034,) called for a list showing, from the commencement of the British rule, what records not already in print it is desirable to publish. On receipt of this Circular, I requested my Assistant, Mr. Cruickshank, to prepare the list, but as there was no proper Index kept by the Record-keeper (the Petitioner) he was unable to prepare it. Subsequently, my second Assistant, Mr. A. L. Lister, was also desired to see if he could prepare that list, but both of them were unable to do so, unless they went through the whole volumes of the records.

5. As I, therefore, considered it expedient and desirable to nominate a competent man as English Record-keeper after the augmentation of the salary of that post, from Rupees 40 to Rupees 60, and as I found the Petitioner to be utterly unfit for the post, I directed him to retire at once, and he accordingly sent in his application for pension, and Mr. Rodrigues, who was Clerk in the late Income Tax Department on Rupees 70, and who was reduced on the abolition of that Department, was nominated* to act as English Record-keeper. This individual is efficient and

* On the 15th March 1866.

is preparing the Index, which, I believe, will be completed as early as possible.

6. As the services of the Petitioner, T. Munisawmy Moodelly, amount to twenty-three years, and as the certificate of the Medical officer is required in submitting his application for one-third pension, I requested the Officiating Zillah Surgeon to examine him and favor me with a certificate, (to be returned,) which I beg to enclose for the Board's consideration, as the man is utterly useless for public service.

7. With reference to paragraph 2 of the Board's Circular, No. XXII, (Board No. 4,752,) of 1866, I must obtain another medical certificate from the Zillah Surgeon about the Petitioner's incapacity, but he is reported to be absent from Cuddapah, and this is consequently delayed.

ENCLOSURE No. 1.—Medical certificate.

ENCLOSURE No. 2.—Petition.

The Collector should not have removed Petitioner from the service until a medical certificate of his incapacity had been obtained. The proper course would have been to employ him in some situation for the duties of which he was more fitted. The Collector will now adopt this course, should Petitioner be again declared fit for duty.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 1st March 1867.

Read the following letter from H. G. SMITH, Esq., Collector of Cuddapah, to the Secretary to the Board of Revenue, dated on Circuit at Camiapur, 5th February 1867, No. 16:—

1. With reference to the Proceedings of the Board of Revenue, dated 5th September 1866, No. 6,297, I have the honour to state that, as T. Moonesawmy Moodelly, late English Record-keeper, has now appeared before me, I referred him to the Officiating Zillah Surgeon for examination as to his fitness for further effective service. The Officiating Zillah Surgeon states* that he

* *Vide* letter, dated 25th January 1867, herewith sent. him unfit for further effective services as a Record-keeper.

2. Although the Zillah Surgeon has certified the state of his efficiency physically, for the duty, yet I consider him quite inefficient for the important work of the office of English Record-keeper, and consequently I am unable to restore him to that post on my own responsibility. As he is totally unfit for any other situation, and is also unable to produce the medical certificate entitling him to obtain one-third pension, under the rules, I am of opinion that a gratuity may be granted to him, which I wish to recommend in his favour.

ENCLOSURE No. 1.

ABSTRACT.—Zillah Surgeon's letter, dated 25th January 1867, respecting T. Moonesawmy Moodelly's fitness for further effective service.

The Board observe that under the rules, (Circular Order, No. XXII. of 1866,) a servant must be "incapable by reason of old age, infirmity, or other incapacitating circumstances, in which medical treatment is manifestly superfluous," and that the particular incapacity under which he is labouring must then be set forth in a medical certificate, before he can be recommended for pension. In the present instance, not only has such a certificate been withheld, but it would seem the individual is unfit for effective duty, from want of mental ability only. This being the case, the Collector must provide him with some inferior situation, as the Board requested he would do in their Proceedings dated 5th September 1866, No. 6,297. There is no other alternative, the Board equally with the Collector being bound by the rules in force.
