REMARKS.

31-7-24 6-4-

The services of Vaundavasing late a peon on the establishment of the Collector of Nellore having been verified from the records of the Collector, he will be eligible to a compassionate allowance of Rs. 2-8-0 a month from 10th February 1867 should Government think fit to grant the same under the letter of the Financial Secretary to Government of India to the Accountant General to Government of Bombay dated 13th March 1867 N^o 1298.

It appears that the difference in applicant's service between the and his application for gratuity arose by the inclusion of his first service in 1831.
