From

H. E. Buxsted Esq. M.D.
Acting Assay Master

To

Colonel J. Learendale R.E.
Mint Master.

Sir,

Parat. I have the honor to address
you on the following matter with a
view to its being brought to the notice
of Government.

2. Consequent on the sanctioned
introduction of the chloride process of
assay into this Mint the Head Fireman
and Maistry in the Assay Office. M.
Parthasarathy Naicker was recommended
12 months ago for the pension to which
Dr. Graham and I considered his long &
faithful service (over 28 years) entitled
him: he was accordingly struck off the
strength of the Assay Establishment
from the 31st December 1867 and the
Examiner of Claims reported on his
case to Government on the 1st May
1868.

From

3. From the 1st January 1868
this old man has been without
the means of support and in daily
expectation of hearing something
about the pension recommended for
him: He is now I am given to un-
derstand literally starving.

4. His case is such a hard one
and so very undeserved that I think
it my duty to submit it to Government
with the view to its final disposal
being, if possible, hastened; and I
would respectfully suggest that pending
this settlement, a monthly payment
of even some small instalment of
the pension recommended for him
might be sanctioned in anticipation,
from the date on which he ceased to
draw pay.

I have the honor to be,
Sir,

Your most obedient servant

A. E. Keston
