This is to certify that I have examined
M. Samuelsen hoodler, Calculator in the Army
Clothing Agents Office, and find that he is unfit
for further service from old age and consequent
infirmity, and so far as I have been able to
ascertain, his incapacity has not been produced
by intemperance or other irregular habits.

No. 22

Army Clothing Department
Madras 1st November 1867.

From

The Superintendent
Army Clothing

To

The Secretary to Government
Military Department

Sir,

Fort St George

In forwarding the enclosed
Medical Certificate and Appli-
cation for Pension, I have
the honor to submit for the
special and favorable con-
sideration of Government, the
following circumstances-

2. The Clerk S. Namasevay
Moodelyan whose behalf
Application for Pension is
made was for a long time
employed under the late
Army Clothing Contractors
in

No 22 of 1867

in the preparation of the Accounts of Army Clothing and as his experience under them extending over 15 years was such as commanded his services being advantageously engaged for Government, he was entertained in this department in February 1857.

3. His duties as a Calculator in the Account department of this office have been tedious and responsible, and he has hitherto performed them zealously and very satisfactorily. His attendance has been very regular and he has never obtained Privilege or Sick leave. Now that he is advanced in age, the duties devolving on him are more than he is equal to, but he has rendered Government faithful

and good service -

4. Taking the above into con-
sideration, I beg to recommend
that as a special case, he be
allowed a Pension of Rs. 10-8-0
from the "Pension Fund of
Clerks of the Late Army Clothing
Office" - which I trust Govern-
ment will be pleased to
sanction, as this grant
will entail no expense to
Government -

I have the honor to be,
Sir

Zeuer Inat ohest Leub.

Memorandum.

In this case the Applicant has been 10 1/2 years in Govt. Employment in the Army Clothing Office and for that is entitled to \$ 350. — But he has been 15 years in the same work when it was done by the Contractors.

For this it is asked that his 25 years service (in all) be rewarded by a pension from a fund from which other clerks similarly circumstanced have been pensioned.

This was a fund arising from unpaid & 'unclaimed' compensations & 'half mounting' and

London 1867

Amounting to Rs 11.792
which in L.M.C. 11 Aug
1858 - No 229 was
allowed to be devoted
to pensioning these
clerks. Govt. evidently
contemplated payments
from the principal, but
this has never been
trenched upon - the inter-
est alone being drawn
on - and the pension
now proposed is avail-
able from the interest.

- The only question
would be whether Govt.
should not present the
Rs 350 ^{Gratuity} to the Fund - as
the Fund pensions its
servants - but in fact
it would be a useless transfer.
C.W.

This brought to Chief
Secy's notice, who thought the
pension should be paid.
C.W.

The question has been
raised of abolishing the
Fund and bringing the
men pensioned from it on
the pension list - but
it is in its earliest stage,
and before it has the sanc-
tion of Govt. of India many
months will probably elapse.
Meanwhile the men will be
left pensionless. C.W.

Memorandum

May I be permitted to
bring to the notice of
the members of Govt that
they have already in their
proceedings of the 28th Nov.
last - No 527 affirmed the
principle that clerks in
the late Clothing Board should
be pensioned, by proposing
to bring them under the
ordinary pension rules.

Had their proceedings not been
the confirmation of the Govt
of India, and so been applicable
to this case - the applicant
would have obtained a half-
salary pension of ~~Rs~~ Rs 15.8
instead of the Rs 10.8 which was
asked for on his behalf.

I doubt whether this is a
proper case for pension.
The man is only 55 years old
& his "consequent infirmity"
mentioned in the medical
officer's certificate, is
not apparent to me. His service
proper under Govt is of 10 $\frac{2}{3}$ years.

The above is an applica-
tion for pension from the Super-
intendent of Army Clothing on
behalf of J. Namasevya Muddey
a calculator in his office who
is unable from old age to
serve longer. He has been
10y 8 m. 9d. in the Government
service that is ever since the
establishment of the Department
and was taken over from the
former Army Clothing Contractors
in whose service he had been

more

more than 15 years. His service under Government renders him eligible to a gratuity of Rs 350. but the Superintendent of Army Clothing recommends that his service under the contractors may be taken into account, and that he may receive a pension equal to $\frac{1}{3}$ of his average salary of the past 5 years, or Rupees 108-0 from the Pension Fund of Clerks of the late Army Clothing Fund Office.

2. It appears that in July 1866, the annual claims on this fund amounted to Rupees 5-10, (no additions having since been made) while the annual income was Rupees 649, which was then increased by Rupees 27½ making it up to Rupees 676½, leaving an annual balance of Rupees 166½ - hence the fund is able to bear the charge proposed of Rs 126 per annum.

His

 Clothing Contractors. It states
 we that simple compensation
 would be a more appropriate
 reward under all the circumstances of
 the case than a pension
 Wdcl

3. His Excellency the Governor in Council is pleased to sanction the grant from the Fund of a pension of Rupees (108-0) ten and Annas 80 to be paid as proposed from the Sydapett Taluk Treasury in the Madras District from 1st Jan 1867.
