Gentlemen

I am directed to acknowledge the receipt of your Secretary's letter of the 14th Instant No 266.

2 The Honorable the Governor in Council is disposed to regard the system which the Principal Collector of Coimbatore is anxious to adopt for the supply of Tobacco for consumption in Malabar as better calculated to protect the interests of the Growers, to relieve the Sircar Servants from responsibility & trouble, to remove temptation to fraud, to discourage smuggling, & to reduce the price of the article to the consumers than either the old agency system or the modified system proposed by the Principal Collector of Malabar but it is liable to the inconvenience pointed out by the Commissioners in the 46th Para of their report of the 26th February 1816 in regard to the unlimited quantity of Tobacco which would eventually be thrown upon the hands of Government. It is essential that some means of preventing this inconvenience should be devised before the system is put in operation. In the mean time the Governor in Council authorizes you to give the plan proposed by Mr Sheffield a trial for one year. Measures should be taken for securing to the Ryots payment for

their Tobacco on delivery - Periodical sorting and protracted payment cannot fail to produce inconvenience -

3 The Governor in Council sanctions the proposed Establishment in Coimbatore for the Tobacco Monopoly according to the statement which accompanied the Principal Collector's letter of the 29th ultimo amounting to Rupees (614-12) Six hundred & fourteen annas twelve per mensem.

10th May 1830.
From Do. 27th May/30.

2 It will be observed from the Principal Collectors' letter of 27th of May, that an addition to the Kundachar sibbendy has been proposed, & I am further directed to observe that an increase to the revenue Establishment of this District has also been applied for in consequence of the Establishment hitherto employed on the Neilgherry hills having been transferred to the Principal Collector of Malabar along with the portion of the hills transferred to that officer.

3 Further information has been called for from the Principal Collector with respect to the two latter subjects, & when this has been received,

the correspondence will be submitted to Government; but as the lists of the Establishments of Collectors as sanctioned by Government on the recommendation of the Committee for the revision of the Civil Establishments, which, in the Extract from the minutes of consultation of 20th April last accompanying Mr. Chamier's letter of the same date, it was stated that the Committee had been directed to furnish to the Board, have not been received, they are unable to compare the Principal Collector's present Establishment with that of other Districts, or to form a decided opinion as to the propriety of any additional charge.

Sir,

I have received your letter of the 10th Instant, returning the Pension Register on behalf of Venkatasubbiah, a Vernacular clerk in my office, and calling for explanation on certain points.

2. With respect to No. 14 I beg to observe that the applicant's name will appear in Statement No. 3, which is the annual list of Establishment submitted to the late Civil Auditor with the late Collector's letters noted in the margin. In January 1853 the Government monopoly of Tobacco was abolished. But the establishment was necessarily retained until March 1854. The late Civil Auditor, however refused to pass their pay on the plea of the abolition of the monopoly, whereon a special sanction of Government

Government was applied for through the Board of Revenue which was accordingly granted, and pay disbursed to the servants. In the list of the Tobacco Establishment forwarded to the Board with the late Collector's application for the sanction above referred to, Venketta Subbiah's name is entered. The Office copy+ of that list is enclosed for your perusal and for return when done with. Subsequent to March 1854 it again became necessary to employ two of the Jowmatehs, and they continued in service up to June 1854. Of these two servants Venketta Subbiah, the present applicant was one. The pay of these two servants having been again retrenched by the Civil Auditor a further sanction of Government was necessary, which was accordingly applied for and is granted. Copies of the orders+ of Government under which the applicant was paid from 3rd September 1851 to June 1854, are enclosed, as requested. With regard to the opening part of No. 14, I beg to

3. In regard to No. 15, I have to state that the applicant was sick, and could not therefore attend on the Medical Officer for a certificate immediately after retirement from the service. Hence the delay in getting the Medical Certificate.

4. With respect to No. 16, I beg to state that the leave of three months and eighteen days entered in the leave statement of the Register, was with the loss of half pay, and so the words "and full &c." in the heading of the statement are erased. From and after the 7th April 1858, the applicant has had no leave.

The applicant's service from 3d September 1851 to 30th June 1854 is excluded from the total period of his service of years 24-1-9 as the charges for the Tobacco Establishment which was constituted in 1827 and abolished in 1855 as per accompanying copies of orders of Government, are shewn under the Head of Extra Revenue &c charges instead of under the Head of Land Revenue fixed Establt. of the Collector, in the journals on record in this office and because the Tobacco Establt. and names of the servants employed in it are not shewn in the annual list of permanent Estt. ending 30th April of each year. The Establishment must be viewed as a temporary one only.
