Proceedings of the Sudder Court 26th November 1854
Read letter dated 11th instant from the Civil
Judge of Mangalore, forwarding a petition from the
District

District Munsiff of Puttur praying to be exempted from being subjected to the examination required by the Circular Order of the Sudder Court dated 5th June 1860.

1. The Judges observe that the District Munsiff cannot have any claim to total exemption from examination. As he failed to pass while the rules in force at the time of his Conditional appointment were in operation, he became liable to be examined according to the tests subsequently prescribed.

2. In consideration, however, of his having satisfactorily performed the functions of a District Munsiff for a period of seven years, the Judges resolve to confirm him in his appointment without further test of his qualifications

3. All other District Munsiffs will be on the Third Grade, and receive a salary of Rupees 200 per mensem.

4. Some delay having occurred in procuring the information necessary to give effect to the order of Government, the Judges recommend that the increased rate of salary be allowed to the District Munsiffs in arrears from the 1st July last.

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

It appears from the Proceedings of Sadr Court dated 26 November 1861 that the applicant was confirmed in his post of Munsif without examination as he had performed his functions satisfactorily for 7 years. Messrs Chaffield & Nathans were of opinion that the applicant was not capable of longer carrying on his duties satisfactorily. These precedents do not show that his character has been otherwise impeached.

3. The Government observe
that the descriptive marks given
in the Register are wholly
inadequate. "A scar on the fore-
head" is not a sufficient distinguishing mark
and gives no distinction unless
its position be mentioned. The
Accountant General will delay
the issue of the Permanent Payable
Order until descriptive marks
are given which in his opinion
will fulfil the purposes for which
they are required. The Civil
Judge, it is observed, took no
