Sir

In returning the papers connected with the gratuity case of Alikhan and submitting an application in the old form, I have the honor to state that the Sub-Collector, to whose establishment the applicant was attached, having been under an impression that a Medical Certificate was not required for a servant of 35 or 40 years service, the same was not obtained before the applicant ceased to do duty. It was, however, afterwards pointed out to the Sub-Collector that the Rule did not apply to servants in grades not eligible to pension and that the applicant ought to produce the Medical certificate. Hence it was that the certificate was produced some time after the applicant ceased to do duty.

2. The information regarding the above points noticed in your letter is all contained in the application now sent.

I have the honor to be
