Talapoola Madwa Row, late Head Goomastah of the Voilpaul Moonsiff's Court in the District of Cuddapah, retired on the 1st March last, after a service qualifying for pension of 27 years, 10 months, and 20 days. In cases below so passes, the
certificate of a single medical
officer, if drawn up in accordance
with the late form
is sufficient.

It is submitted that
to compel all applicants to
have their certificates counter-
signed will cause 1st delay and
expense which pensioners can
ill afford, 2nd in some cases
impossibility of appearing.

The enforcement of a maximum
upon the Inspector General will
be tantamount to a denial

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the
Civil Judge of Cuddapah.
~~with report of the Examiner~~

(N.S. 25 April 1868)

Report of the Examiner of Claims - 28 August 1867
Order thereon 4 January 1868 N.S.

Talapoorla Mad -
- wa Row, late Head Gun -
- master of the Voilpand Mun -
- siff's Court in the District
of Cuddapah, retired on
the 1st March last, after
a service qualifying for
pension of 27 years, 10 months,
and 20 days. His application
for his pension was sub -
- mitted, without a Medical
Certificate, on the suppo -
- sition that he was eli -
- gible for a good Service

The terms of the Medical
Certificate are, I think, too
general. I should like to see
the Rules in respect of fees of
this class of service last pro -
mulgated by the S.G. Medical
Dept. W.D.

I have no objection
the terms are in the
general. N.S.

Memo
Resolved in Council that no
alteration shall be made, at present,

Pensions are granted on Medical
certificates - N.S.

Pension

Mission, but as this sup-
-position was found to be
erroneous, a Medical Cer-
-tificate was called for
by the Examiner of Claims
and furnished on the 21st ^{delay}
July 1868. For this Madava
Row is not responsible,
and as he is declared by
the Examiner of Claims
to be eligible to a pen-
-sion of Rs 100 ten per
centum, equal to a minor
-ty of his salary, His
Excellency the Governor
in Council sanctions the
grant of ~~this~~ ^{of this amount} pension from
the 1st March 1868.

2. A copy of these
proceedings will be sub-
-mitted to the Government
of India for their confir-
-mation of the pension
granted to Madava Row.

The Certificate is certainly
in conformity with No 2
of the two forms last
issued by the Indian
Medical Dept. I don't
however, think it is
fair to the Govt. that
an unsupported cert
like that given in this
case by Dr. Syadacumy
should suffice for
granting a public
servant on the Pension
Establishment. The Govt.
rests solely on the opinion
of a single person who
sees (does not treat) the
applicant & papers him-
self for further work.
Officers & members of the
Civil Service, Govt. & minor
require more than this
when one takes what is
merely a temporary leave
of absence. I have
lately seen instances where
a Commissioner of Medical
have distinctly ignored
the dictum of an English

To
The Civil Judge of Pudukottai
" Accountant General
" ~~Commissioner of Pudukottai~~
" ~~Financial Officer~~

Dr. Sactor (M. D. in rank)
who had been a pension-
-er before to a Native
Subordinate. -

It is doubtful, I consider,
whether the Govt. can con-
-sistently with the public
interests pass a medical Cert
which is not counteracted by
at least the Deputy Surgeon
and Dept. - I think however
there is a rule to that effect
I should like to see if any
remedy can be corrected
23 Nov

I have seen the rule contained in G.O.
14 June 1856. No 224. It relates, I observe,
only to the cases of men who have drawn
500 Rs upwards per annum. -

It might, I consider, be made more general
with advantage to the Govt. & especially inspectors
general have little or nothing to do when they
are on leave, & might beneficially employ
themselves in counteracting need: (also paid
to pensioners between the periods of their
circuit visits. - There is however a letter of
some 3 1/2 years ago from the S. Canada District
showing up certain inaccuracies & unfavourable
arise from the present system -

I should wish to see that letter before
presenting the subject with the subject -

P. H. 1869

Advancing to the 9. Oct
in the Canada case, they
bring to the notice of the
Govt. the necessity of re-
forming the enforcement of
the anti-prostitution law
which means that a previous
order have presented.

Very recently, as the respective
memory, the "boom case"
can have been with what
a lamentable case & uncertainty,
medical officers will act even
when acting where the one is
in official subjection to the
other. - medical

The form of certificate being
lately issued in an amended
shape, by Dr Mackenzie, do not
sufficiently supersede the necessity
of an observance of the rule about
counter-indication, and it seems to
me that in the case of the applicant
William D. Spassany has given a
certificate the rule ought to be
applied.
