2. He states that there are no records
in the District or Subok to verify the services of
the person. From the evidence which he obtained
from the fellow servants of the two persons
named in the margin he believes that their
services are above 30 years.

3. From the evidence obtained in the
interrogation by the Subcollector of the District
it appears that the persons named in the margin
have been for 30 years or more in the
their respective forms of Application.

4. The evidence of these witnesses who
speak of old things from mere supposition
and memory is hardly creditable.

Report of the Examiner of Claims

The services of the aforementioned individual having been verified partly from the records of this office, and partly from those of the Collector. In consequence of Chellamaya's death his legal heir will be eligible to the amount of gratuity set opposite to his name in Column II of the Register under the old rules for his services of years 25.4.6, should Government grant the same accepting the explanation given in the 5th last Column of the Register with reference to the applicant's non employment for a period of two months and eighteen days subsequent to the suspension period of six months in 1832 (Copy of the Collector's order on the subject is enclosed), and that given in para 9 of the Collector's letter No 203 dated 20th August last accompanying with reference to the delay in submission of application.

It will be observed from the 6th last Column of the Register, that the applicant's service prior to 19th August 1836, cannot be reckoned in his favor as he appears to have resigned his post on the 7th July 1836, and thereby remained without employ for more than a year.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter Papers.

From the Collector of the Godavari District (Here entered 20th August 1868 No 203)
Reports of the Examiner of Claims (— 9th December 1868, No 1836/9)

Order thereon 13th January 1869 No 8

With the above letter the Collector of the Godavari District submits application for several persons whose services were dispensed with on the pension of the District and Taluqs.

2. With reference to D. Venkata Rao, late Amildar, he seems in the latter part of his service to have borne a less satisfactory character than before, and to have been twice fined, but the Government are unwilling now to admit these faults, as carrying further

W.D.
A.A.

Further punishment, and there-
fore grant him the full gratui-
ty of Rupees (500) five hundred
to which his service entitles him.

3. In the case of Totar
Ach Bapanaga the Government
cannot grant a compassionate
allowance, when by the death
of the claimant, all possibility
of verifying the service has
gone. There is sufficiently
strong probability of the length
of service qualifying for
gratuity, and this the Govt.
are pleased to grant viz.

Rupees (24) twenty four which
will be disbursed to his heirs.

4. A Chellammayya
served in all more than 32 years
but nearly 7 years of this is
lost by his resignation for
more than a year. He was
twice suspended, but the last
occasion was in 1842. He is now
deceased, but the Government
direct to be paid to his heirs

39
a gratuity of Rupees (60) sixty
to which he was eligible.

5. P. Narayana Rao served
in all nearly 42 years, and has
been once suspended 15 years
ago. The Government are
pleased to grant him a gra-
tuity of Rupees (40) forty eight
to which he is eligible.

6. These men were all thrown
out of employ in the rearrange-
ment of the District, and they
only recently applied for gratuity.
