

Proceedings of the Madras Government, Pension Department,
15th March 1869.

Read the following letter from the Acting Collector of Cuddapah, to the Chief Secretary to Government, Fort Saint George ; dated Cuddapah, 2nd March 1869, No. 7.

Bhujanga Row, Head Goomastah of the Cuddapah Taluq, under the impression that he had served for his half-pension, tendered his resignation. The enclosed medical certificate was furnished, and he was thrown out of employ on the 16th of January last.

2. He had served thirty-three years, one month, and six days as per statement annexed ; but when, under the Rules in force, a period of eight years, two months, and twenty-two days, during which his pay was under Rupees 10 per mensem, is deducted, his net service is only twenty-four years, ten months, and fourteen days, thus falling short by only *one month and sixteen days* of the period which would have entitled him to get a half-pension.

3. Had the applicant been able to calculate this result, it would have been easy for him to defer his application for one and half month, and it seems to me so hard a case that I venture to request the Government either to allow me to permit him to resume service for that period, or, as a special case, to dispense with that service, and let him be dealt with as if he had completed the twenty-five years.

Acting Collector.

I, M. Iyasawmy Pillay, Acting Zillah Surgeon of Cuddapah, do hereby certify that I have carefully examined Bhujanga Row, Head Goomastah in the Taluq Cutcherry of Cuddapah ; that his age is, by his own statement, sixty-two, and by appearance about sixty-five years ; and that I find him to be unfit for further service from old age and infirmity not, in my opinion, attributable to intemperance or other irregular habits.

CUDDAPAH,
15th January 1869.

In this case the applicant
under a mistaken calculation
perone retained 16 days leave

to reimburse him for this
period or to give the pension
without taking into account
the latter seems the best
course.
