I, Robert Wilson, M. D., Zillah Surgeon, Tinnevelly, do hereby certify that I have carefully examined Gopal Pillai, late Duffadar of the Sunkernainar Covil Taluq; that his age is by his own statement sixty-seven years, and by appearance about sixty years; and that I find him to be unfit for further service from old age, infirmity, and hernia, not, in my opinion, the result of intemperance, or other irregular habits.

No. 24.

Report of the Examiner of Claims.

The service of the above-mentioned individual having been verified from the records of the Collector of Tinnevelly, he will be eligible to the amount of gratuity set opposite to his name in column 11 of the Register under the old rules, should Government accept the medical certificate produced by the applicant one year four months and sixteen days after his retirement from his service.

2. It will be observed from paragraph 2 of the Collector's Report, entered in the accompanying copy of Proceedings of the Board of Revenue, dated 24th September 1868, No. 6804, that the applicant neglected to apply for gratuity when told to do so, and spent some months in importunity and petition writing, although he was directed by the Collector to apply for gratuity from 13th September 1867.

3. The applicant is not eligible to a compassionate allowance of Rupees 4 under the Despatch of the Right Honorable the Secretary of State for India, dated 14th October 1868, No. 432, published at page 995, Volume 2 of the *Official Gazette* for 1868, as he retired from service prior to the promulgation of the said order.—Vide paragraph 2 of the Government Order, dated 3rd September 1868, No. 291, Pension Department. The applicant's petition to the address of the Accountant General, however, accompanies this report.

ORDER THEREON, 16th March 1869, No. 104.

It appears from the foregoing Register of application for a gratuity that Gopal Pillai, late Duffadar on the establishment of the Collector of Tinnevelly, served for nearly forty-three years, and that with the exception of having on one occasion been suspended for the period of a year for insubordination to his immediate superior, there has been nothing reported against him.

2. Gopal Pillai was removed from his appointment by the Collector on the 13th September 1867, as he considered him to be "a weakly old man," and directed him to apply for a gratuity, but which he failed to do in the hope that he might be re-instated in his appointment.

3. Owing to this delay no application was made on behalf of Gopal Pillai until the 11th November 1868, and he did not obtain a medical certificate until the 28th January 1869. The medical certificate shows that Gopal Pillai's age is sixty-seven years; that by appearance he is sixty, and that he is "unfit for further service from old age, infirmity, and hernia."

4. The Collector has recommended the payment of a gratuity of Rupees 48 to Gopal Pillai, and from the Report of the Audit Department, it appears that he is eligible to it, but not to a compassionate allowance of Rupees 4 per mensem, under the Despatch of the Secretary of State, dated 14th October 1868, No. 432.

5. Gopal Pillai's long service, and general good conduct, entitles him, in the opinion of Government, to favorable consideration, and there is nothing in the Despatch from the Secretary of State which bars the grant of a compassionate allowance to a man of his length of service who has been thrown out of employment prior to the date of the Despatch, in the interest of the Public Service. His Excellency in Council resolves, therefore, to sanction the disbursement to Gopal Pillai of a compassionate allowance of Rupees (4) four per mensem, from the date of the application for gratuity, viz, 11th November 1868.
