I Daniel Kearney Civil Surgeon Masulipatam do hereby certify that I have carefully examined Mr Peter Jones late Sahildar of the Bandur Taluque & Sheristadar of Bellwada Taluque Krishna District; that his age is by his own Statement Fifty three, and by appearance, about that age; and that I find him to be unfit for further Service from old age, and infirmity, not in my Opinion, the result of intemperance or other irregular habits.

Memorandum.

I beg to request orders in this case. Government have granted Mr. Sims a pension pending the confirmation of the Medical certificate by the Deputy Inspector General.

Is Mr. Sims to draw pension before his certificate is confirmed? Because if so, what is to be done if it is not at last confirmed? 2^d Dr. Mackenzie in the note attached states that there will be great delay in the confirmation, since the Deputy Inspector General does not visit Masulipatam this season.

Is Mr. Sims to be ordered down here at a cost to him of Rs 90 (a similar case would be a civil servant having to pay £ 100 to get his annuity), or is he.

I must
approve the
pension at once.

It appears from a semi-official note from the Inspector General Indian Medical Dept. that the Dep. Inspector General Northern Division ^{has} will not be able to visit Masulipatam ^{and will not be able to do so} this year ^{during the past} for some considerable time. Under the circumstances the Government resolve to confirm the pension granted to Mr. P. Tims without requiring the countersignature of his medical certificate by the Dep. Inspector General.
