22nd April 1869.*

No. 573. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coonoor, 22nd March 1869, No. 214 :—

1. I have the honour to report the occurrence of an accident to a cooly named Cundasawmy, when engaged, on the 12th December 1868, in conveying and removing covering stones on the Coonoor Ghaut works, by the fall of two small detached rocks which fractured his right arm. The man was immediately taken to the Dispensary at Coonoor, and the Medical Officer was obliged to amputate his arm.

2. As this accident has caused the entire loss of his right arm, and has disabled him from earning his livelihood, I beg to submit, for the favorable consideration and orders of Government, the accompanying Proceedings of a Committee recommending that he be allowed a pension of Rupees 3½ monthly, being half the rate of pay that he was in the habit of receiving.

Proceedings of a Committee held at the Dispensary at Coonoor, to investigate claims to Gratuity or Pension on the part of the undermentioned individual.
