Returning the appeal petition of Janekeramiah with the remark that the appeal against the decision of this Government in cases of this description lies not to the Government of India but to the Secretary of State.

To
Colonel F. J. Moberly R.E.
Superintending Engineer D. Division.
The humble petition of H. Janakeramiah
late accountant in D. D. Works, and
at present Resident at Guntoor.

Most Honoured Sir

Your petitioner begs enclosing his service list to bring the following few lines for your humane consideration with a hope that you will be kind enough to bring his poor case for the benign reconsideration of Government.

That in 1867 your petitioner fell sick when the then Superintending Engineer was on circuit at the place, and being quite incapacitated to attend to the public duties, he could not join that Officer who consequently required him to produce a Medical Certificate with a view to superannuate him as his service was then considered sufficient to entitle him to $\frac{1}{3}$ pension. The required Medical Certificate was accordingly furnished by Doctor Withers of the defective vision of your petitioner and the said Superintending Engineer Colonel Winsecom brought his case to the notice of Government, who before passing orders having referred the matter to the Examiner of Claims, this officer erroneously remarked that for the period of 10 years 2 months & 22 days, your petitioner's salary having been debited to the State

under Court of wards, he was not entitled to pension,
but that his subsequent service 11 years & 2 months
entitled him only to a gratuity of Rs 220 [losing sight
of the fact that the said Estates to which the salaries
of your petitioner & others were charged lapsed to
Government previous to 1851 and that in consequence
that service was countable towards pension]. The
Government of Madras having in the marginally quoted Collector's catch
Cases and orders admitted such service towards pension. ^{Shroff of the} ^{Vide L. O. No 55}
but deprived your petitioner of their bounty justly ^{dated 11th February}
due to him who was a long served servant. ¹⁸⁶¹
Your petitioner ^{P. Pulliah}
further begs to bring the said facts to your honour's ^{Salugumasta}
notice to enable you to take a more favourable view ^{L. O. No 711 dated}
of his poor case and prominently bring the matter ^{17th December 70}
to the favourable reconsideration of Government.
This Government and other higher authorities
having done injustice even on appeal, your poor peti-
tioner is left helpless. Upon which your petitioner
sent to your honour in December last a petition
requesting to bring his case again to the favourable
notice of Government, but was desired to produce
copy of that L. O. which granted pension to P.
Pulliah Salugumasta. Aggrieved as he is
by the injustice done your petitioner went to see
Mr. Boswell the Collector of the District who
happened to come here for gamabandy & spoke to
him all about the adversities and misfortune to
which your petitioner was subjected. Mr. Boswell

Length of Service of Mr. Pulliah Salugumasta in the District

in reply told to your petitioner that the said
Pillalamury Pulliah Gumastah (Kandigama
Salug who (similarly circumstanced) served Govern-
ment equally with your petitioner and whose salary
was similarly charged to the Estates upon which
he and your humble petitioner were employed,
has been granted pension on his ^{own} recommendation and
then promised to send to your honour the Correspond-
ence passed between him and Government in con-
nection with the said person. Your humble petitioner
has subsequently been informed that these Copies
have been sent you and therefore ventures to solicit
your honour to forward his request with such papers
and recommendations as your honour may deem
proper for the favourable reconsideration of Govern-
ment.

That the Government of Madras have in one
case admitted towards pension and granted it to
the applicant. But in the other quite analogous
passed an inconsistent order not admitting the
fairness of such service. Your humble petitioner again
submits for your humane consideration a letter by
which he ventures to take with full confidence of
obtaining from the various instances of liberality
shown by Government to such persons whose long
and faithful services merited superannuation &
allowances particularly to all such persons in public
offices like your humble petitioner to whom, your honour
will clearly see that the Government of Madras,
from whom alone justice will proceed will if matters

are well represented, to them, grant the indulgence which he is justly entitled (No 3) and for this act humanity and justice your petitioner shall as duty bound, ever pray.

I most humbly beg to remain

Most Honored Sir

I most humbly beg
to bring to your honors notice, that the late Superintending
Engineer having recommended to the Government
concerning my pension on the 10th September 1867,
they passed a decision that of my total service
extending to 22 years and 29 days, 10 years 2 months
and 29 days pertain to the Board of War and
the remaining time of 11 years 10 months is not
sufficient to entitle me to pension and therefore
sanctioned a gratuity of Rs 220. Thereupon the
late Superintending Engineer Colonel Winscom, obtain-
ing information from the Collector, once more tried
my fortune by recommending to the Government
on the 10th October 1868 who persisted upon their former
endorsement. I then represented myself to your
honor, who gave me copies of all the correspondence on
the subject which I submitted to the Government
of India along with a petition, who endorsed that

This should be done through the medium of proper
authorities which I herewith enclose.

In pursuance to the order of the Government now
in operation even the feroes are entitled to a liberal
allowance of pension, and it is a great wonder that
writer who has discharged his duties to the utmost
satisfaction of the Superiors for a period of 22 years
is left aloof.

I therefore hope that your honor would
be graciously pleased to bring my case into a
favorable consideration at the same time recommend-
ing me to Government for the grant of a
proper allowance.

Fully trusting that your philanthropic nature
would grant my request.

time that all the Zamindari estates for which separate establishments were retained both at the Huzoor and Salugg when they were attached for arrears of Peishchah having gradually reverted to Government, the salaries of establishment were charged to Government, under the head of "Extra Establishment" from the year 1852, pending sanction for a revised Moyam Jalitah for the whole District. " " Accountant General dated 27th June 1870, N^o 81.

" " Offg Collector Tinne District dated 18th September 1870.

N^o 4209.

Order thereon 17th December 1870, N^o 711.

Pillalamani Pullayya has served altogether for 33 y. 1 m. 19 d. but of this period, only 7 y. 3 m. 4 d. (from 30th September 1862) was on an establishment formally sanctioned as a permanency viz. Mr. Pillep's scale. Prior to the introduction of this scale he was employed in estates for 25 y. 11 m. 15 d. For 11 y. 2 m. 10 d. his service was in estate under management on account of the proprietors; but from 1st January 1847 till 24th August 1857 (10 y. 7 m. 24 d. of which, 2 y. 9 m. 24 d. was passed on salaries above 10 rupees, the estates in which he was employed had reverted to Government. He was subsequently employed for 11 m. 16 d. in an estate managed under orders of a Court, & for 4 y. 1 m. 22 d. till 30th September 1862, in the Vandigama talook, which appears to have belonged to Government. However this may be, if his service from 1st January 1847 till

till 24th August 1857 is admitted as service under Government; he will be entitled to count these two subsequent periods; and his service for pension will amount to 15 y. 3 m. 1 d. sufficient to entitle him to a one-third pension.

The Collector, in his letter of the 16th September 1870, N^o. 4209, states that, from the date of the reversion of each estate to Government, the salaries of the establishments were charged to Government, under the head of extra establishments on estimates annually passed, pending the sanction of Government for a revised *Moyen Zabita* for the whole district.

3. The Government are of opinion that service rendered under the above circumstances should count for pension. The formal revision of the establishments was deferred for the convenience and in the interests of Government; and the servant, of whom it is observed, there are a great many in the *Mistna* District, should not suffer on this account.

4. Accordingly, His Excellency the Governor in Council is pleased to grant to Pillalamarani Pullayya, late *Gumasta* of *Kanchigama Taluk*, a one-third

pension of Rs(5) five per mensem with effect from the 5th February 1870.

Sir,

I have the honor to submit a
petition addressed to me by H. Janakera-
maya late Accountant in the 1st Range
Office Kistna District.

He had served for upwards of 22 years
continuously (from 3rd May 1845 to 30 June 1867)
on pensionable grades in the Revenue
and Public Works Departments and
applied for a pension owing to failure
of sight. But in their order (Pension
Department) No 162 of 28 May 1868, the
Government of Madras, observing that
his first period of service ^{14. M. S.} ^{10. 2-29}
being "in posts as Maramb Maistry

P.W.D. 2/505/72.

P.W.D. 2/505/72.

"and Gunasta in an establishment paid for by the Court of Wards as employed on estates under management cannot be counted towards pension, deducted it from the said 22 years and for the remaining 11 and odd years granted a gratuity of 11 months pay at 20 Rupees a month = 220 Rupees.

3. Janakaramaya appealed then to Government but they declined to reconsider the matter the gratuity having been sanctioned by the Supreme Government see G.O. No. 404. 26th November 1868. Pension Department.

4. In para 2 of my predecessor's letter No. 88 of 9th October 1868, he pointed out as a precedent a case of Veda Ramasamy a shroff in the Kistna Collectorate whose service of 25 years (commenced similarly to that of Janakaramaya) was nearly all in connection with the estates and who was allowed a pension

Vide G.O. No. 55. Pension Department of 14th February 1861.

5. From the accompanying copy of the Kistna Collector's letter No. 2022 of 7th July 1871. it appears that a Gunasta named Pillalamarri Pulliah whose service also was first commenced in the attached estate has lately been pensioned for reasons stated in para 3 of G.O. No. 711 of 17th December 1870, (copy enclosed)

6. There appears therefore so much precedent in favor of petitioner's claim that I would again urge it on the consideration of Government.
