No. 48.

REPORT OF THE EXAMINER OF CLAIMS.

The services of Julur Senkaraji having been verified from the records of this office and those of the Collector of the Kistna District, he will be eligible to the amount of gratuity set opposite to his name in Column 13 of the Register under the old Rules should Government be pleased to accept the explanation afforded by the Acting Sub-Collector in paragraphs 1 and 20 of his letter, No. 2, of 8th January 1869, with reference to the delay in the production of medical certificate and submission of application.

It will be seen from the register that the applicant's correct service is 21 years and 15 days, and not 21-1-15 as stated by the Acting Sub-Collector, and that his service in pension grades was only one year and ten months.

FORT SAINT GEORGE,
ACCOUNTANT GENERAL'S OFFICE,
10th April 1869.

(Signed) W. DONALD,
Examiner of Claims.

To the Chief Secretary to Government, Fort Saint George,
Civil Pension Department.

ORDER THEREON, 10th May 1869, No. 149.

Julur Senkaraji has a service of twenty-one years and fifteen days terminating on the 31st July 1864, one year and ten months of which was passed in pension grades. There was a break in his service of two years and four months consequent on an abolition of establishment. The cause of retirement was inability to serve longer. The medical certificate is dated 6th January 1869, or four and half years after the retirement.

2. The applicant's service would entitle him under the old rules to a gratuity of six months' pay or Rupees 120. Having regard to the fact mentioned in the medical certificate that applicant is now seventy-three years of age, the presumption of his incapacity at the time of his retirement is so strong that Government resolve to overlook the delay in obtaining the certificate, and to sanction, subject to the confirmation of the Government of India, the grant of a gratuity of Rupees (120) one hundred and twenty.

3. The Government regret to be compelled, notwithstanding their remarks in Proceedings, No. 122, dated 29th April 1868, again to animadvert on the dilatoriness of District Officers in disposing of applications for pensions and gratuities. It appears that in this case the first application for gratuity was made to the General Deputy Collector in January 1866. In March of the same year it was sent on to the Collector, but was not out of the hands of the District Officers till January 1869. Such remissness is most culpable, and the explanation of the delay that it was due to references to Taluq authorities for verification of the applicant's services is inadmissible. The Acting Collector, Kistna District, will be directed to report whether there are any applications now outstanding in his district, and, if there are, to state the measures taken for their prompt disposal.

4. The attention of District Officers is called to the orders of Government, (see Notification dated 22nd March 1869 at page 493 of the *Fort Saint George Gazette*, 6th April 1869) under which the chief Officer of the District was made responsible for the expenditure caused by the non-observance of the Pension Rules.
