To, The Honorable R. J. Ellis Esq. B.
Chief Secretary to Government
Fort Saint George.

Pension Department. Sir

Compassionate Allowances 143
Gratuities 21
164

1. Adverting to para 3 of the order of Government of 11th 1869 dated 10th Current, I have the honor to report that since the order of the Government of India announcing the grant of compassionate allowances to persons discontinued by reduction of establishments, was passed 164 applications were received for compassionate allowance and gratuities as detailed in the margin - of which 143 were already disposed off. Compassionate allowance and gratuities were granted to 95 individuals. 52 cases are now under examination in the Accountant General's Office. At present there are 17 cases in this office for which Registers are being prepared, and which will be submitted with the least practicable delay to the Accountant General.

2. The chief cause of delay in the preparation of Registers of applications in this District is due to the destruction of the original records from which the services of the applicants might have been easily verified. This was in the Cyclone of 7th November 1864, and has entailed the necessity of frequent references to the Taluqs in which the persons served, in the preparation and verification of their service lists.

3. The records of the reduced Taluqs having been transferred to the new Taluqs with which they were amalgamated, and the records having been under arrangement, some difficulty has also been experienced in the Taluqs in the collection of the pay abstracts of the several old divisions from the year 1851 in verifying the

the services of the prison.

4 In the case of Gulry Sukarajee to whom the Govern-
ment granted a gratuity of 6 months pay, I beg to observe that
on 11th January 1868 the Examiner of Claims directed to send a
Medical Certificate showing the applicant's inability to serve any
longer. The applicant was immediately ordered to bring the same.
He did not appear before the Medical Officer till January 1869
owing to his having been suffering from an ulcer on his leg. This
should have been explained in the application for gratuity but
was inadvertently omitted.

I have the honor to be,
Sir,
Your most obed^t servant,
J. M. B. B. B.
Officiating Collector.
