OFFICE OF CONTROLLER OF MILITARY ACCOUNTS,

Fort St. George, 9th July 1869.

From

The Controller Military Accounts,

To

The Secretary to Government,

Military Department,

Fort Saint George,

I have the honor to forward a letter from the Inspector General of Ordnance and magazines, dated 25th June 1869, No 91, enquiring whether clerks in Public Offices who do book-binding work come under the operation of the Despatch published in the Financial Notifications of the Government of India dated 2nd March 1869, No 1407, which admits "Book-binders permanently employed."

"in Government Establishments" to
"the benefits of the Unconquered
"Pension Dulo."

2. "Book-binders" are not employed
in the Military Offices of this Pre-
sidency, but *Boochies* who are ge-
nerally acquainted with the work
of book-binding are, on occasion,
may require, employed on that duty
in addition to their own.

3. These have not hitherto been
considered as permanent public
servants and no pensionary provision
has been made for them, but, under
a recent Despatch -
from the Secretary of
State, a compassionate
allowance not ex-
ceeding Rs 4 per mensem has
been granted to them on being
pronounced unfit for further duty
after 35 years approved service.
