From

The Magistrate of

To

The Head of Police of

Punchapattian Taluk

From personal enquiry of the case of the village authorities of Papily having forcibly taken a deposition from Angilagi Nagiah of the same place, to the effect that a theft had been committed in his house, whereas in fact no theft had taken place, and having put one Mattikul in custody, it appeared that Nagiah complained before the village authorities that a theft had taken place in his house, and that Mattikul and his elder brother Chirranah had returned the stolen property; that Colival or Bahoodseem was present at the time, and that he and the village authorities together wrote to the Taluk Cutcherry. This Colival who stated before the Head Assistant Magistrate that he knew nothing about the theft, has here failed to disclose the whole truth, by corroborating partly his former statement and by stating that he did not take any steps immediately he came to know of the theft. As this shows

that

that he is totally unfit for the said post, he
had ~~been~~ dismissed ~~him~~ from his office. He is to
be struck off the list of Establishment from
this date. A separate order will be issued
in regard to the filling up of the said place.

having been dismissed as
unfit for the appointment
of Kotwal which he then
held. It appears from the
translation of the taluk of
dismissal, that the reason
he was deemed unfit for
his post was, that he had
been plying to the concoction
of a ^{false} charge of theft against
a certain person within his
jurisdiction. He was re-employed
after the lapse of twenty five
days as Daffadar of Gooty
taluk, in consideration
of his long service (26. 5. 14)
and of the industry with which
he had done his duty. In
September 1853, he was de-
graded for having failed
to report to his Superior
Officer, the fact of some

no doubt it was so. In
this case, however, I report
the uniform to report that
an accused person had been
branded whilst in his
custody, to be a more serious
offence than the concoction
of a false charge supported
on the talukid's word & to have
been by lying. A man
who would do what this man
has on two occasions done,
is deserving of no indulgence.
W.D.

I think this view is unduly
severe. The proof of the offence
in 1850 can hardly have
been very conclusive if the
man was re-employed
25 days after his dismissal.
This re-employment was
probably because the proof
was not such as to warrant
punishment & the order
for dismissal hastily. The Hon^{ble}

Talukdar having branded
an accused person who was
under his custody.

2. The Government consider
that the fault for which
the applicant was dismissed
in 1850 was a most serious
one, and should vitiate his
previous service. Under this
view he is not, as pointed
out in the report of the Exami-
ner of claims eligible to a
compassionate allowance,
but is entitled to a gratuity
of Rs 16 ^{thirteen} equal to four months
salary. The grant of which
His Excellency in Council is
pleased to sanction under
the old rules.

Mr. Phillips will probably call
to mind the frequency with
which the talukid's word is
taken away given back
