Memorandum for orders

A Compassionate allowance of Rs. 2-8-0. per mensem was granted to one Kanappa from 1st November 1866, on the supposition that he had been a peon of the Salt Department, Mellors, during his whole service of 32 years 10 months. It was subsequently discovered that for the last 2 years & 7 months of his service he had been a vettian, a grade inadmissible to compassionate allowance; and the grant which had been made was cancelled, a gratuity of Rs. 30 being given instead, and it was ordered that any arrears of allowance paid

paid in excess of this gratuity,
should be written off the
accounts.

2. The Acting Collector
Mr. Melville now recommends
that the claimant, having
in 1864 served more than 30
years as a peon, and having
then on a revision of Establish-
ment, been provided with a
vettian's place, owing to
changes in the Public Estab-
lishment, should now be
allowed the compassionate
allowance; and that the sum
written off under G.O. 26th Nov.
1868, should now be debited
to the payment of the al-
lowance.

3. It is probable that
had the peon known that
he was entitled to Compas-
sionate allowance of Rs 2-8.
when he was thrown out
in 1864, he would not have
accepted

* I think so. and would
ask up to the precedent
of 4th August 1868. W.D.N.

I would give the man
a compassionate allowance.
He was virtually -
peon not - Vettian -
if there had been no
change of establishment
he would have been -
peon to the end.
I would remove him off
an old peon's
board with a
gratuity where it is
possible to give him
a pension. N.

accepted a vettian's post,
with the right to gratuity
of 30 Rs annexed to it. But
in an exactly similar case
from the same district, gra-
tuity was given and Compas-
sionate allowance refused.
To grant a compassionate
allowance to a Vettian would
be an inconvenient precedent.
The pay drawn by Kanappa
as Vettian and as peon was
the same, viz. Rs 5 per mensem.

Note - If compassionate allow-
ance be granted, it must be
as a special case, & the grant
will require the confirmation of
the Supreme Govt.

Nellore Collector's Office
20th July 1869

From R. S. Melville Esq^r
Acting Collector of Nellore

To R. A. Salyell Esq^r
Acting Secretary to Government - Rev^d Department
Fort St George - Madras.

Sir
With reference to the Order of Government in
the Pension Department A^o 403, of the 26th November
1868, declining to grant a compassionate allowance
of Rs 2-8- to one Panduram Kannappa, because he
was a veteran and not a peon on the salt establish-
ment, I have the honor to state that Kannappa
has again applied to me urging his claims to a
compassionate allowance.

2. The ground set forth by him for reopening the case
is that in the whole period of his service ranging
over 32 years and 10 months, he served as peon

for 30 years and 3 months a period in itself sufficient under the rules for the grant of Compassionate allowance, and that on the revision of Salt Establishments in 1864, he was provided with a Wetian's place in the course of arrangements then made.

3. As this seems to be a fact, and as he had served more than 30 years as pen, and was only placed as Wetian owing to changes in the Public Establishment, I think he has made out a case for reconsideration, and request that if the Government acquiesce in my view, the compassionate allowance may be sanctioned.

4. By the time the order of gratuity was received, he had been paid 23 months' compassionate allowance, which exceeded the gratuity sum by 27.8-0. This sum was written off in the accounts

under Government Order dated 26th November 1864
A. 403. If the compassionate allowance be sanctioned, this sum may be now debited to the payment of the allowance.

Note -

Though the case of Kanappa
only was brought before Govt.
by the Collector of Vellore, it has
been presumed that Govt. intended
to refer also the case of Papayya
This was exactly similar, though
Papayya accepted his gratuity in silence
though has been made in those words
of the Pension Dept. but no other
similar case has been discovered.
