*Proceedings of the Madras Government, Pension Department,

Report of the Examiner of Claims.

(Here enter 30th July 1869, No. 130).

ORDER THEREON 15th September 1869, No. 314.

Pan'uranga R., late Assistant Superintendent in the Salt Department in South Canara on whose behalf the foregoing application is submitted, was discharged from the service on the 31st July 1868 by the Deputy Collector.

He was not sent for medical examination till the 8th January 1869, a delay which the Government cannot consider satisfactorily explained; and, when he did present himself, was declared by the Civil Surgeon to be fit for the performance of further duty. The Acting Collector, Mr. Boswell, having personally examined the man, concurred with the Salt Deputy Collector in the opinion that he was quite worn-out and incapable of doing useful service, and accordingly submitted an application for gratuity unsupported by a medical certificate.

2. The applicant has served for thirty-nine years, four months, and sixteen days; but, having received a gratuity in 1854, when thrown out of employ on reduction of establishment, can be entitled to a gratuity of four months' pays only, or Rupees 80, under the old rules, for his subsequent service of fourteen years, two months, and twenty-six days. His character throughout his service appears to have been satisfactory. His age must now be at least 60 years.

3. Under the circumstances, the Government resolve to submit the case for the orders of the Government of India with a recommendation that the grant of the gratuity of Rupees 80 may be sanctioned.

N^o 679. South Canara Collector's Office
Mangalore, 12th June 1869.

From
H. S. Thomas Esquire
Acting Collector of South Canara

To
The Examiner of Claims
Accountant General's Office
Madras.

Sir,

In re-transmitting the accompanying application for a gratuity on behalf of Pandu of 16th April 1869. Ranga Rao returned with your memo-
randum noted in the margin, I have the honor to state that the services of the Applicant from 6th May 1854 to 30th April 1864 are proved from the records of this District.

2. As regards the delay in submitt-
ing the application, I beg to state that an application for a gratuity equal to six months pay was originally made on behalf of the ap-
plicant by the Deputy Collector in charge of the Salt Department, on the 5th August 1868. On receipt of this application the Register of applicants' services was prepared in my Office, but on carefully examining it, much of applicants' service was found to have been passed in minor appointments below 10½ Rupees, which are not entered in the annual returns furnished to the Accountant General, and which service had consequently to be checked and verified

15-28/1/69 60131

verified by reference to the monthly Pay Abstracts and other old Canadese records in the Office. As there were at the same time six other applications for gratuity to be & similarly checked and examined in my Office, considerable time was lost in scrutinizing and verifying the applicants services, but I find that this scrutiny need not have been prolonged for more than three months, and I have warned the Clerk who was entrusted with the work and who is to blame in the matter, to be more careful in future. During the above scrutiny it was discovered that the Applicant had on a previous occasion received a six months' gratuity on the abolition of the tobacco & Establishment in Canara in 1853, a fact which was not mentioned in the original application, and which reduced the applicant's service qualifying for a gratuity from 39 years, the period originally assumed, to 14 years, 2 months and 24 days, and the amount of gratuity payable to him under the rules to only 4, instead of 6 months' pay as recommended by the Salt Deputy Collector. It was also found that the Deputy Collector had omitted to submit in support of the application the prescribed Medical Certificate declaring the applicant unfit for further duty. The Deputy Collector was therefore

therefore requested on the 23rd November 1868 to obtain the required Medical Certificate, but the Applicant who resides in a village in the Kundapur Taluk (60 miles from Mangalore) did not present himself before the Zillah Surgeon till the 8th of January 1869, when that Officer declined to grant him a Medical Certificate of incapacity for further service, as in his opinion the applicant was still fit for further duty. My locum tenens Mr Boswell however having personally examined the applicant and been satisfied of his incapacity for further service, submitted an application for a four months' gratuity on his behalf on the 21st January 1869 unsupported by a Medical Certificate for the reasons stated in Column 11 of the Register.

I have the honor to be,

Sir,

Your most Obedient Servant,

Matthew
