Reports of the Examiner of Claims.

(Here enter 25th August 1869, Nos. 897 and 898).

ORDER THEREON, 17th September 1869, No. 319.

From the first of the registers of application above recorded it appears that Dasa Kristna Ravu, late Sheristadar of Arcot taluq, in the district of North Arcot, has served for a period of forty-one years, nine months, and eleven days. The usual deductions being made, the period qualifying for pension amounts to twenty-six years and three months. He has been declared by medical authority unfit for further service, and, his character having been good, is accordingly entitled to a pension of Rupees 30 per mensem under Clause 3 of Section 6 of the Revised Rules. His age is stated to be 60 years.

2. The second case is that of Hoscottia Runga Ravu, late Head Goomastah of the same taluq. This individual's service amounts to thirty-four years, two months, and twenty-two days, but his service for pension is only twenty-seven years, seven months, and twenty-five days. He is now unfit for further duty, and is eligible to a pension of Rupees 10 per mensem, being a moiety of his salary during the last five years of service. His age is 51 years and 9 months.

3. These men retired from the service on the 30th November 1868, but the medical certificate of their incapacity is dated 13th March 1869. It appears that the Sub-Collector noticed their age and infirmity and directed them to apply for pension, and, as they stated that their service was upwards of thirty years, they were not then sent for medical examination. A search in the records showed that their qualifying service did not extend to thirty years, and accordingly they were sent in January, it would appear through a mistake of the Head Assistant in charge of the sub-division, to Madras to be examined by the Deputy Inspector General. That officer ordered them to appear before Dr. Scudder at Ranipetta, and they were examined by him on the date above specified. Owing to the Easter holidays the papers were not sent to the Collector's office till the 2nd April, and were retained in his office till the 5th June. These delays and mistakes are not creditable to the officers concerned.

4. Under these circumstances, His Excellency in Council is pleased, under Clause 3, Section 6 of the Revised Pension Rules, to grant, subject to the confirmation of the Government of India, monthly pensions of Rupees 30 and Rupees 10 respectively to Dasa Kristna Ravu and Hoscottia Runga Ravu, with effect from 1st December 1868, and payable at the Taluq Treasury of Arcot.

Decr 7-9-69

at once from 1st December 1868.

3. As it appeared from their statements that they all served more than 30 years, a medical certificate in their case was at first thought unnecessary and the Tahasildar of Arcot was ordered on the 26th November 1868, simply to furnish the details of service and other particulars required to be embodied in the prescribed form of application for pension.

4. The Tahasildar did this in his arzi dated 11th December last, which reached me on the 14th Idem. On the 18th Idem I left this District in pursuance of my appointment to the Krishna. On the 21st Idem the Head Assistant Collector took charge of the Sub-Division. Then came the Christmas holidays, after which the Head Asst. Collector was engaged in the jamabundy of his own Taluq.

5. On the 18th January 1869 it was discovered that a part of the services of the above applicants was in an illegible ^{meligilla} grade and that medical certificates were necessary. Accordingly the Head Asst. Collector ordered the above applicants

to appear before the Dy. Inspector General of the Medical Department at Madras, for getting the necessary medical certificate. When they appeared before him it was not known in my office, but they brought a reply from the Dy. Inspector General dated 22nd February last, and delivered it to the Arcot Tahasildar who forwarded it to this office on the 3rd March last.

6. In the above reply the Dy. Inspector General requested the then Ag. Sub-Collector Mr. Brandt to direct the said applicants to appear before D^r. Scudder at Ranipett for the purpose of obtaining the required certificates. This was done and the certificates were granted by D^r. Scudder on the 13th March. On the 20th March the Tahasildar of Arcot, in reply to a previous requisition for information on certain points, requested a reference to be made to the records in this office. It took five or six days to search for and find the information wanted. In the mean time the office was closed until

Order thereon 17th September 1869 N^o 319.

A. A. W. M.

From the first of the registers of application above recorded, it appears that Kasa Kristna Rava, late Sheristadar of Arcot Taluk in the District of North Arcot, has served for a period of 41 years, 9 months and 11 days. The usual deductions being made, the period qualifying for pension amounts to 26 years and 3 months. He has been declared by medical authority

authority, unfit for further service, and, his character having been good, is accordingly entitled to a pension of Rs. 30 per mensem, under clause III of Section 6, of the Revised Rules. His age is stated to be 60 years.

2. The second case is that of Hoscutta Ranga Rao, late Head Gymnasta of the same taluk. This individual's service amounts to 34 years, 2 months and 22 days, but his service for pension is only 27 years 7 months, and 25 days. He is now unfit for further duty, and is eligible to a pension of Rs 10 per mensem, being a moiety of his salary, during the last 5 years of service. His age is 54 yrs. 9 m.

3. These men retired from the service on the

33
30th November 1868, but the medical certificate of their incapacity is dated 13th March 1869. It appears that the Sub Collector noticed their age and infirmity and directed them to apply for pension, and as they stated that their service was upwards of 30 years, they were not then sent for medical examination. A search in the records showed that their qualifying service did not extend to 30 years, and accordingly they were sent in January, it would appear through a mistake of the Head Assistant in charge of the Sub Division, to Madras to be examined by the Deputy Inspector General. That officer ordered them to appear before

1st December 1868, and
