Certify that I have carefully examined
"Buddy Vankana" Gornasta of the Collector's
Establishment of Bellary; that his age is,
by his own statement 53 years, and by
appearance about 55 years; and that
I find him to be unfit for further service,
from premature decay and infirmity,
not, in my opinion, attributable to
intemperance, or other irregular habits.

Extract from the Minutes of Consultation under
date the 22nd October 1857

15. In para 25 the Board advert to the question whether any reductions can be made in the establishments of Cuddalore and Bellary, in consequence of the proposed diminution in the extent of those Districts and express their concurrence in the opinion of the Collector that no reduction can be made in the former District. In this opinion the Government entirely coincide. Cuddalore is manifestly underserved, as brought to notice in the Board's Proceedings of the 5th September 1856, in which it was proposed to increase the number of Carthoons in that District, by taking them from Bellary, Kallare and Guntur. But the case is different as regards Bellary, which is known to have a large establishment, and the Government concurs with the Board that the reduction of 300 Rupees per mensem proposed by them in para. 26, may safely be effected, after the present alteration of assessment has been carried out.
