H.M. Letter No. 126
dated 20th Sep. 1869

Order thereon.

There is no doubt that the first
class mentioned are not eligible,
as they are clearly contingent servants
not borne on ^{permanent} establishment.
The second and fourth classes are
clearly eligible. It is doubtful
whether the third class do not
come under the description
"other inferior servants" to whom
the pension rules do not apply.
A.C.

The Government observe
that the order cited by
the Inspector General of Jails
has no bearing on the classes
referred to by him. It does
not appear that he asks
a decision with reference
to particular claims pen-
ding, and the Government
must decline to issue
abstract rulings. The case
will be decided under
existing rules as they arise.
A.C.

*I must answer the
Inspector General's reference.
It is based on the fact that
we do not know whether they are
or are not eligible for pension.
The first class are all
eligible. Class 2 & 3 are all
eligible. A.C.*
