The Right Honble the Governor

Council
Fort Saint George
Madras

The humble Petition of
C. Venkateswamy Peethamed
English Clerk of the
Bombay Presidency

Most Respectfully sheweth.

That your Petitioner most
submissively begs leave to represent the
following circumstances for your Lordships
kind consideration and redress.

Your Petitioner under the
orders communicated to him in Mr.
Chief Secretary J. Pycroft's Memorandum
under date the 28th May 1855 was receiving
his Pension from the Office in charge
Cash Chest at Sauleah in connection
with the account of the Paymaster
at Secunderabad and subsequently on
your Petitioner's arrival at Secunderabad
after the abolition of the Office at
Sauleah he received his Pension
from that Office.

In the month of July last
urgent circumstances were so transpired

Considered and decided 10/11/59
The Civil Auditor. Decr 16/11/59 Rec^d 17 Dec^r 18/11/59
W.D.

to your Petitioner as to leave ^{Chuddeghant the Residence at} Hyderabad unexpectedly for the change of air and repair to this station in consequence of the ill health of his family and Children and they are still in a lingering state which prevented his return to that place earlier than expected and under the circumstances now involved it does not appear convenient to him to do so for some time more.

Your Petitioner and his large family being solely maintained under the income conferred by Government he urged the Paymaster at Secunderabad to remit it to the Paymaster at this place by a Draft but this request not having been complied with, your Petitioner appeared before the Collector & Magistrate of this Zillah and obtained a Certificate of his Identification which, with his usual Abstract, was again forwarded to the Paymaster's Agent but these papers have also not been admitted and returned.

Your Petitioner supposes that the Paymaster might have an objection to admit them while he (Your Petitioner) is living beyond the control of his jurisdiction. therefore

your Petitioner humbly and respectfully requests that your Lordship will be pleased to issue instructions to that tribunal to pay your Petitioner's Pension to his Agent at Secunderabad upon satisfying himself on the production of your Petitioner's identification Certificate from the authorities of this station.

[Faint handwritten text, possibly a duplicate or bleed-through:]
Your Petitioner's Pension is not being paid to him by the Agent at Secunderabad. He is obliged to remain there in any other way. Your Lordship may direct the Agent to remit the pension to him or to his Agent at Secunderabad. He is not receiving his Pension since the last three months.

Trusting your Lordship will kindly be pleased to comply with the humble prayer of your Petitioner and for this acknowledges your Petitioner in duty bound.

Yours faithfully
N. Subramanian
Petitioner
