Governor of the District and
Magistrate of the District

To The Honorable R. S. Ellis Esq.
Chief Secretary to Government
Fort George

Sir,

In forwarding application
from S. Frederick Kelly, Resident Magistrate
in this office, for permission to retire from
the service, I beg to express my reasons for
recommending the applicant for full
pension. Applicant has been 27 years
and 11 months in Government employ,
during the whole of which time his con-
duct has been excellent. During the settle-
ment of the affairs of the late District of
the District, he was called on to render
extraordinary

extraordinary service, which entailed on him considerable trouble, responsibility and expense. Some of the claims which arose out of that settlement were settled by the Advocate General in Chambers. Some were tried in Court. The rest were disposed of by Commissioners appointed for the purpose. In all these modes of settlement, which continued actively for 12 years, there was a constant demand for the production of the Records of this Office, and of the late Surbar, not only during the ordinary hours of business, but in the morning and evening. The applicant was the person who produced these papers, and was therefore constantly required to be in attendance at the Court House, and at the residence of the Advocate General, of the Government Secretary, and of the different Commissioners. He was therefore required to perform extra service

service, which circumstances rendered of more than ordinary trust and importance, and to incur an expense for carriage &c, which was, to him, considerable. For these services he received no remuneration - and I therefore considered him entitled to favorable notice on his settlement from the service. I considered that had the extra services I speak of been remunerated at the time by some extra allowance (as has been done in similar cases) - it would have been better but this not having been done, he appears to me to have some claim to consideration and the granting him a full, instead of a half pension, is perhaps as good a way of remunerating him as any that could be adopted. He is 66 years of age and infirm.

(Here enter 10th December 1868 N^o 306)

Order drawn 26th January 1869 N^o 37.

It appears from the foregoing applications for a good Service Pension, that ^{Sunore} Tarpogashie, late Record Keeper in the Establishment of the Government Agent, Chapank, entered the public Service on the 1st January, 1829, and retired on the 30th November, 1868, after a period of service in grades qualifying for pension, of 39 years and 11 months.

2 The Examiners of Claims has not been able to verify the applicant's service from 1st January 1829 to 20th April 1831, in consequence of the records prior to 1831 having been destroyed. This however is immaterial the applicant's subsequent service, viz. from 1st May 1831 to 20th November 1865, which has been verified, being sufficient to entitle him to a good service pension. The
