Extract from the Proceedings of the Sudr
Udalat under date the 13th September 1834.

Read Extract from the minutes
of Consultation dated the 5th Instant in
the Judicial Department conveying
the orders of the Right Honorable the Governor
in council upon the letter from the
Sudr Udalat dated 10th June 1833 relative
to the classification of the Moonisifs.

By the 1st Para of the above Minutes
of Consultation it is shown that the Regulation
for remunerating District Moonisifs by a
fixed monthly salaries has been passed by
the Governor General of India in Council
and that the proposed rates of allowances
have been approved vizt 140 Rupees per
mensem as the salary of the each Moonisif
of the 1st class with 85 Rupees for his Estab-
lishment 115 Rupees per mensem as the
salary of each Moonisif of the 2nd class with

70 Rupees for his Establishment and 100 Rupees
per mensem for each of the 3rd class with
60 Rupees for his Establishment.

In the 2nd Para the expediency of
revising the location of the existing Moonsiffs
is adverted to, so as to place in the first
class the most distinguished for ability
and integrity and the others successively
in the 2nd and 3rd classes according to their
merits.

In the 3rd Para it is stated to be
the opinion of the Right Honorable the Governor
in Council that periodical changes in the
classification of the District Moonsiffs
would be inexpedient and that degradation
from a higher to a lower class is a fit
provision for the punishment of delinquents
considering dismissal from office too severe
except for gross and continued neglect
of

7
of duty after repeated admonition the
degradation or dismissal being subject to the
approval of the Provincial Court.

As intimately connected with the
subject to the Court would here advert to para
3 of the letter from the Secretary to Government
in the Judicial Department dated the 12th
April 1833 stating that the Right Honorable
the Governor in Council entirely concurs with
the Judges in thinking that the nominations
of the Establishment of the District Moonsiffs
should be vested in the Zillah Courts who
should have full control over them subject
to the superintendence of the Provincial
Court.

With the view of carrying the intentions
of the Right Honorable the Governor in Council
into effect the Court of Sadr Udaulat resolve
that copy of Paras 1, 2, 3 of the above minutes
of Consultation be furnished to the Provincial
Courts of Appeal and that copy of the 4th
and

and be also furnished to the Provincial Court in the Western Division with Extract of these Proceedings by Precept returnable without delay.

The 4 Provincial Courts will on receipt of Extract of these Proceedings put into preparation with reference to the order of this Court of the 3^d May 1833 (Copy of which and of the statement referred to will accompany these proceedings) in communication with the several Zillah and Assistant Judges the measures that will be required on the promulgation of the Regulation to fulfil the intentions of Government. But it is to be clearly understood that no alteration in the existing mode of paying the Moonsiffs is to take place until the Regulation in question reaches the Province.

The Provisions of Para 3 of the Minutes of Consultation will it is expected be

be particularly regarded.

Extract from the Minutes of Consultation under date the 5 September 1834.

1. The Governor General in Council having passed the Regulation for remunerating District Moonsiffs by fixed monthly salaries instead of fees and approved the rates of allowances proposed to be granted to them according to the Classes in which they may be placed Viz:

	Pay Rupees	allowance for establishment Rupees
1 st Class - - - - -	140	85
2 nd - - - - -	115	70
3 rd - - - - -	100	60

Dated 16 June 1833.
introduction 29 July 1834.

The Governor in Council proceeds to pass orders upon the letter from the Sudr Udalit relative to the classification of the

the Moonsifs.

2. It appears to the Governor in Council to be expedient to take this opportunity to revise the location of the existing Moonsifs so as to place in the 1st class those who are most distinguished for ability integrity and the others successively in the 2nd and 3rd classes according to their merits. The new arrangement should be submitted by the Zillah or Assistant Judges to the Provincial Courts for their sanction with a full explanation of the reasons of the proposed changes.

3. Referring to the ^{observations of the} ~~Sadr~~ ^{Sadr} Udialah in the 5th Para of the letter under consideration the Governor in Council observes that periodical changes in classification of the District Moonsifs would be inexpedient but degradation from a higher to a lower class he conceives to be a fit provision for the

the punishment of idleness. Dismissal from office he thinks would be too severe except for gross and continued neglect of duty after repeated animadversions. Degradation as well as dismissal should be subject to the approval of the Provincial Court.
