Extract from the Proceedings of the Sessions Court of
Cuddapah under date the 5th October 1847

Prison M. P. N. 14 of 1847 presented by
Muckasahib late Jail Duffadar, and Masoom Sahib and
11 others Peons stating that the Sub-judicial Judge refused
to accede to their application for their re-employment not-
withstanding the recapture by them of the escaped convict
after much exertion as ordered & requesting that their
restoration may be granted.

The Petitioners have no right to summary restoration
to their situations as Peons & the Sessions Court never directed
any thing of the sort. They ought to apply to the Sub-judicial
Judge, with whom their re-employment rests, and as he
expressed to them, an intention of doing so hereafter
suitable opportunities occurring, they ought to be grateful
for the consideration shown towards them.

 Boys on a false charge of culpable neglect of their duty by having allowed a

 "pray for their restoration to the service -"

From the report & proceedings of the Sub-Criminal Judge it is quite
 the Prisoner who escaped was taken out with the others in all 79 in number
 answer the Calls of nature & that he made his escape at that time owing
 negligence of the Petitioners and that the Prisoners on returning were not
 even if they were so on going out which they probably were not. The escape of
 was not discovered for some time after their return & was first made
 by the other Prisoners in the same case who declare that the escaped
 went out with them but did not return - The Petitioners have only the
 to blame & could hardly expect to retain their situations after allowing the
 Prisoner in such a way. The Petitioners are in some measure deserving of pity
 what has occurred is in a great measure owing to the negligence & apathy of the
 ought to have been present & seen that the Prisoners were counted both on going
 returning but the only grounds on which they could claim any merciful
 of their previous services with a view to re-employment is a reason
 insolid be their having recaptured the Prisoner who escaped - The Petition
 reasons is dismissed -

Received

THE Under Secretary to
Government, Public, &c., Departments

For gratifying
register of applications in favour of Shakh Badi Cuto-
wader in the Cuddalore Jail. It has not been ex-
plained how it is that the services cannot be verified.
The pay rolls of the Jail establishment must have
been deposited either in the Civil Sessions Court records
or in the local office. It does not appear whether
enquiry has been made in these quarters or not.
The man is shown to have perjured himself, & even
if let off prosecution, his affidavit in support of his
service is worthless. The grounds of the Sup^ts statement
that the continuity of the applicant's service since 1850 is beyond
a doubt, should have been given. HCL

Sir.

With reference to your letter No 317,
dated 15th Instant, I have the honor to enclose,
herewith, a true extract from the Defaulters
book, showing only one entry against Warder
Shack Budi.

There is an unauthenticated old
Register in the Records, containing the
names of all the Warders with the dates
of their appointments and dismissals,
wherein it is clearly specified that
the said Warder was discharged on the
24th July 1847, and re-employed on the
18th February 1850: and it also appears from
the accompanying 4 Original extracts from
the Proceedings of the Late Sessions Judges

that he, with 11 others, was dismissed
on account of the escape of a Prisoner
and that a promise was held out
that the only ground on which he and
they could claim reemployment
would be the recapture of the Prisoner
who escaped. I surmise that the
reinstatement of Shaik-bade on the
18th February 1850 was the result of the
reapprehension of the escaped Convict.

There are no other Records verifying
his service subsequent to his reinstat-
=ment, but it is beyond doubt that
he had served continuously from 18th
February 1850 up to the date of his application
for gratuity.

His general character during the
whole period of his service has been,
I believe, very good and he was
considered to be a hard working and
faithful servant. He was fined but
once.

that the reappointment of Shaik
