FINANCIAL DEPARTMENT.

No. 438.

FROM

R. A. DALYELL, ESQ.,
Acting Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

I am directed to transmit the accompanying Proceedings of this Government in which certain pensions on medical certificate have been granted, subject to the confirmation of the Government of India, the certificates having been obtained three months and thirteen days after retirement. I am to request that, under the circumstances appearing in the Proceedings, the confirmation of the Supreme Government may be accorded.

Dated 17th September 1869, No. 319, Pension Department.

I have the honour to be,
Sir,
Your most obedient servant,

FORT SAINT GEORGE,
22*nd September* 1869.

Actg. Secy. to Govt.

Proceedings of Government, Pension Department.

Read the following letter from the Collector of North Arcot.

(Here enter 5th June 1869, No. 46).

Reports of the Examiner of Claims.

(Here enter 25th August 1869, Nos. 897 and 898).

Order, 17*th September* 1869, *No.* 319.

From the first of the registers of application above recorded, it appears that Dasa Kristna Ravu, late Sheristadar of Arcot taluq, in the district of North Arcot, has served for a period of forty-one years, nine months, and eleven days. The usual deductions being made, the period qualifying for pension amounts to twenty-six years and three months. He has been declared by medical authority unfit for further service, and, his character having been good, is accordingly entitled to a pension of Rupees 30 per mensem under Clause 3 of Section 6 of the Revised Rules. His age is stated to be sixty years.

2. The second case is that of Hoscotta Runga Ravu, late Head Goomastah of the same taluq. This individual's service amounts to thirty-four years, two months, and twenty-two days; but his service for pension is only twenty-seven years, seven months, and twenty-five days. He is now unfit for further duty, and is eligible to a pension of Rupees 10 per mensem, being a moiety of his salary during the last five years of service. His age is fifty-one years and nine months.

3. These men retired from the service on the 30th November 1868, but the medical certificate of their incapacity is dated 13th March 1869. It appears that the Sub-Collector noticed their age and infirmity and directed them to apply for pension, and, as they stated that their service was upwards of thirty years, they were not then sent for medical examination. A search in the records showed that their qualifying service did not extend to thirty years, and accordingly they were sent in January, it would appear through a mistake of the Head Assistant in charge of the Sub-division, to Madras to be examined by the Deputy Inspector General. That Officer ordered them to appear before Dr. Scudder at Ranipetta, and they were examined by him on the date above specified. Owing to the Easter-holidays the papers were not sent to the Collector's office till the 2nd April, and were retained in his office till the 5th June. These delays and mistakes are not creditable to the officers concerned.

4. Under these circumstances, His Excellency in Council is pleased, under Clause 3, Section 6 of the Revised Pension Rules, to grant, subject to the confirmation of the Government of India, monthly pensions of Rupees 30 and Rupees 10, respectively, to Dasa Kristna Ravu and Hoscotta Runga Ravu, with effect from 1st December 1868, and payable at the Taluq Treasury of Arcot.
