Madras Master Attendant's Office

26th November 1852

In the year 1837 Peruvencata Chetty was entertained as Writer in the late Boat Pay Office from which period up to the present date being in pursuance of the Government order to reduce the establishment he has served in the Master Attendant's Office as a Manager of the Disabled and Boatmen's Fund as well as conjointly executing other duties temporarily.

Considering the nature of his duties which required much care and experience I consider him well qualified to fill the office of Cash keeper or Deputy Manager in

Sir

With reference to the orders of
Government, dated 20th ultimus, No. 341, referred
to this Department for further information,
regarding the services of C. Perovskich Chary,
from the year 1842 to 1852, I have
the honor to state that unfortunately
the records of the Disabled Pensions Fund
were destroyed some time ago, but after a
great research among the records of this
office, a letter has been traced addressed
to the Chief Secretary to Government,
under date the 19th September 1842, No. 531,
wherein an establishment is proposed for
the Disabled Pensions Fund, and a
writer is included on a salary of Rs. 1000,
but, as I have before stated, the records
having been destroyed, I am unable to
say

say whether *Serovencata Chetty* was actually
 entertained in connection with that fund
 and on that salary. From 24th October 1851
 to 17th November 1852, however, his name
 appears in the books of this office, as a
 writer drawing 10 Rupees. I would add
 that, on enquiry, the oldest servants in
 this office, who were entertained long
 before him, declare that he ^{*Serovencata Chetty*} was the
 only person employed in the Disabled
 Boatmen's Fund.

 In the concluding para of
 Extract Minutes of consultation of the
 24th March last N^o 440 the Government
 were pleased to direct that endeavours
 should be made to place the clerk dis-
 charged by the Director of Public Instruction
 in consequence of the discontinuance of the
 Book Dep't in some other situation. He
 has been long known to me in connection
 with the Marine Department and altho'
 he has not passed the uncorvenanted
 examination I venture to solicit permis-
 sion to employ him in my office as I
 know him to be a clever efficient person.

2
 He first entered the service
 in January 1837 in the late Boat Pay office
 and was discharged on the abolition of
 that office in September 1842. He then
 became an Extra writer in the Master
 Attendant's Office to keep the account
 of the Disabled Boatmen's Fund and
 remained in it till November 1852 when
 owing to certain alterations on the system
 which reduced the funds so that an
 establishment

establishment could no longer be kept he was discharged. He was then employed in Mercantile Firms for about three years and finally in April 1856 became clerk to the Book Depot under the Director of Public Instruction which he lost in April last as before mentioned

3 He bears excellent testimonials and on the several occasions of his loss of appointment there has been no fault on his part. I trust that Government will be pleased to view his case favorably

Sir

With reference to the Proceedings of Government dated 20th October last, No. 341, relative to the application for pension on behalf of C Seroovencata Charry, late clerk in this office, Executive Department, I have the honor to forward an original letter from the Deputy Master Attendant, furnishing such further information as he is able, respecting the services of this clerk.

2

I regret to state that the discrepancy noticed in para 3 of the above order in the amount of salary drawn by the clerk in question is a clerical error, Rupees (10) Ten being the correct amount: and as regards para 4, attention is drawn to the accompanying copy of a certificate, granted by the late

REPORT of the EXAMINER of CLAIMS.

17

As required by orders of Proceedings of Government dated 20th Oct 1838. Public Pension Department, the undersigned has the honor to report that in consequence of the statement by the Master Attendant that the Records of the Late Boat Bay Office have been destroyed many years ago, search was made among the records of this Office for bills of the Boatmen's fund to which could not now be found.

The Master Attendant has submitted in reply to the order of the date 10th instant 1838 which with its enclosures is forwarded.

In the letter from the Capt^y of Marine records and Proceedings of Government 25th June 1837, 1838 Public Department, it is stated that the Clerk (C. Terrence) in charge in Sept 1832, had removed the books in the Master Attendant's Office to keep the accounts of the Disabled Boatmen's fund, and remained in it till Sept 1832, when owing to certain alterations in the system which reduced the funds, ^{so that} the establishment could no longer be kept up, he was discharged.

It is thus apparent that the service of the applicant for Pension during the period above specified viz from Sept 1832 to Nov 1832 does not qualify for Pension as it was.

Read the following letter from

The Master Attendant Madras

(Received 10th November 1868 No. 457)

Order thereon 29th January 1869 No. 42.

It appears to govern-
ment from a perusal of the
several papers connected with the
application for a pension in behalf
of Colator Leroovata Chary
late clerk in the Master Attendant's
office at Madras, that he entered
the Public Service in February 1847,
and that he was employed as a
clerk up to August 1847, viz 6 years
and 7 months, on a salary of
Rupees 12 per mensem. That
he received this salary is con-
firmed by statements furnished
by the late Captain Bicker with
his letter dated the 19th September 1847,
and further that he was enter-
tained as writer to the honours
and

Ex. mins. of Com. 7/18.

and Disabled Pensioners' Fund" on a salary of Rs. 14. per mensem. This salary received the sanction of this Government in Extract Minutes of Consultation dated 18th October 1842 h^o 327, and the confirmation of the Government of India in their Secretary's letter dated the 30th November 1862 h^o 132.

2 It is clear from this, and from the certificate granted by the late Mr. McTear, Deputy Master Attendant, and confirmed by the late Capt. Bider, Master Attendant, that C. Lero-
: venkata Chetty was employed as a clerk from September 1842 to November 1852, ~~besides~~ ^{besides} ~~con-~~ jointly executing other duties temporarily. This is further confirmed by the declaration of the oldest servants in the Master Attendant's office, who were employed long before Lero-
: venkata Chetty that he "was the only person employed in the Disabled Pensioners' Fund" as clerk.

1. This point being now determined, and C. Lero-
: venkata Chetty's subsequent service of 10 years, 8 months and 10 days having been accepted and admitted by the Audit Department it remains for consideration whether he is entitled to a Pension for the aggregate period of his service extending over upwards of twenty seven years in grades qualifying for pensions.

4 From the papers enclosed in the margin it is evident that persons employed in connection with the "Disabled Pensioners' Fund" did receive pension from the Fund. That the fund was under the supervision of the Master Attendant, and that payments and pensions were made from it under the authority of Government. The Fund would ~~be~~ under the recent rulings of the Government of India be fairly considered as a "local fund", and it being competent for Local governments to allow pensions to men serving in eligible grades who are paid from local funds,

His Excellency the Governor
in Council is pleased to
sanction the grant to C.

Leroovencaticharry of a
pension of Rupees (10) ten
per mensem, being equal
to a moiety of his salary
for the last five years
preceding his retirement,
on the condition of his
refunding the gratuity of
Rupees (50) fifty paid to
him in 1842.

5 The pension will
have effect from the
date on which C. Lerooven-
caticharry ceased to
draw pay in the Master
Attendant's office.
