I William Howland Roberts, M.D. Civil Surgeon
South Malabar Calcutta. Do hereby certify that 1st Class Constable
Ranjee Rayer No. 211 of the Calcutta Police Force is not only
incapacitated by premature old age and infirmity for
further service (as certified by Dr. Mc Dermott) but he is
also ill, and has been so for some time - He is now
suffering from general Dropsy - He is under treatment
for a month - I do not think any permanent benefit
will be derived from further treatment or change
of air. To the best of my judgement his infirmity
is not the result of intemperance or other
irregular habits.
