I, William Howland Roberts, M.D.,
Physician Surgeon Salem, do hereby
certify that Elias Canfield
Hamatchee No. 1153 of the
Salem Police Force, has been
under my treatment for four
months for Scrophula: and that
he is not likely to derive permanent
benefit from further treatment,
or from change of air. He is
in my opinion, unfit for further
service, and to the best of my
judgment, such disqualification
is not the result of intemperance
or other irregular habits.

No 562

From

To,

Asst Inspector General
of Police
Madras

Sir,

I am forwarding a Roll for gratuity
for Constable, Marginally noted, I have
the honor to report on his case which is a
somewhat peculiar one.

On 28th January, leave for two Months on
sick certificate, was granted to this man,
to proceed to Tanjore and, as he failed
to return to duty at the expiration of
his leave (28th March) he was struck off
as deserter, from that date, on 19th April;
early in July he appeared before me
and requested to be reinstated, stating
that he had been prevented by severe
illness from returning sooner; on
hearing this, I wrote to the Superintendent
of Police, Tanjore, requesting him to
ascertain whether the Constable's
statement were true or not, and, learning
from his reply that it was so, I sent
the Constable to the Zillah Surgeon
preparatory

Constable P. C. Carr No 1153.

preparatory to re-enlisting him, but he
was pronounced unfit for further
service.

3. You will observe, that if his service
is reckoned only up to the date, on
which his leave expired, (noted in
pencil in the Gratuity Roll), it falls
short by two days, of the period necessary
to establish a claim to gratuity, but as
it would be very hard, that he should,
owing to absence from severe illness,
forfeit his gratuity, I would beg to
recommend, that my Order striking
him off as a deserter, should be
cancelled, and that he should be
considered, as on leave, up to the
date on which he returned to duty viz-
6th July 1869; I should mention that he
is a man of very good character.

I have the honor to be,
Sir,
