FORT WILLIAM, the 24th November 1869.

Read again the following—

No. 3324, dated 7th December, 1868.

From—E. H. LUSHINGTON, Esq., Secy. to the Govt. of India, FINANCIAL DEPT.,
To—The Acting Secretary to the Government of Bombay.

I am directed to acknowledge the receipt of your endorsement dated 3rd November 1868, No. 1597, regarding the proposed grant, as a special case, of a compassionate allowance of Rs. 4 a month to Moro Venkutesh, late a Carcoon in the Havelly Talooka Kutcherri, who has been thrown out of employ, after a service of more than 30 years, in consequence of reduction of establishment.

2. It is observed that, although Moro Venkutesh served Government for upwards of 30 years, his employment in eligible grades has not been sufficiently long to secure him a pension under the Uncovenanted Service Rules; and it has been held by the Accountant General, Bombay, that as he was not employed throughout his service in ineligible grades, he is not entitled to claim the compassionate allowance authorized in Secretary of State's despatch No. 455, dated 16th December 1867, that allowance being reserved only for servants of inferior grades.

3. The Governor General in Council is, however, of opinion that inasmuch as Moro Venkutesh's claim to pension under the Uncovenanted Service Rules is invalidated by reason of his having been employed in inferior grades during the greater portion of his service, the circumstance of his having been promoted to a superior appointment during the latter years of his service, should not deprive him of the claim to compassionate allowance to which he would have been entitled had he not been so promoted.

4. Under rule, therefore, the allowance recommended for Moro Venkutesh is fully admissible, and I am to authorize its grant to him.

ORDERED, that a copy of the above letter be furnished to the Accountant General, Bombay.

ORDERED, that the foregoing letter be published in the *Gazette of India*, and that copies thereof be furnished to—
