that I have carefully examined Shetumbara Pilla
Shroff of Maturantakom Taluk; that his
age is, by his own statement 56, and by
appearance he is 66 at least; and that I
find him to be unfit for further Service,
from old age, Infirmary, and defective vision
from Cataract. the result of which is not
in my own opinion, attributable to in-
temperance or other irregular habits.

In returning herewith your office memo of the 10th August together with the register of application for pension for one Chitambara Pillay duly amended, I have the honor to forward copy of a letter from the SubCollector from which you will observe that the correct period during which the applicant was without employ by dismissal amounts to 11 months & 29 days instead of 10 months & 20 days as stated before; & this difference appears to have been due to some oversight.

Tahsildar anywhere admits that
the shroff was his private agent.
As declared by me in my
letter of the 6th November the
evidence of the shroff is very
much against the Tahsildar - He
acknowledged that he looked
over the accounts prepared by
the Tahsildar's servants, but he
denied that he had the principal
charge of the accounts, or that
he prepared them and the
Tahsildar, as far as I can see,
does not contradict this assertion.

18 He is dismissed 2^{ndly} for
omitting from the adangal
of the Madurantikou village the
assessment of 1-0-9 of the question.

in the occupation of the Tahsildar.

19 To my remark that "The
Cultivation & assessment are both
entered in the account" Mr Elliot
answers that "the land has not
been entered as Cultivated land.
I confess that I cannot see any
distinction between cultivation
and cultivated. I have again
looked at the adangal account,
and the cultivation and assess-
ment are not only clearly entered,
but there are Mr Elliot's initials
to such entry.

20 There are numerous lands
entered in exactly the same manner,
and there was no occasion for the
assumption that these lands were
waste.

21 The particular Crdp has not been entered, but this omission was nearly throughout the whole admissal and such entry should have been made not by the Sheriff who administered the village, but by those who afterwards inspected his work.

22 The Sheriff also has been out of employ nearly one year. I have given my best consideration to these two cases, and have I believe fully met Mr Elliot's objections to my judgment of the 6th November last which I believe has that the Asst Sub (Sturton) will now carry out by restoring the parties to their former situations.
