From the Collector of Nellore, dated 20th April 1869.
Report of the Examiner of Claims, dated 14th September 1869, *No.* 142.
Memorandum from do. „ *25th October* 1869.

ORDER THEREON, 16th December 1869, No. 450.

Panditi Pichayya, late 2nd Shroff of the Ongole Taluq, in the Nellore District, served for thirty-one years, ten months and eight days, and on the 19th February 1868 was removed from employment as unfit for further service from old age. An application was submitted for a gratuity of Rupees 60 for him in April 1869, and in September the Collector was called on to furnish the necessary medical certificate in support of the application. In reply, the Collector reported that the applicant had died in January 1869, and that therefore no medical certificate could be procured.

2. The absence of the medical certificate constitutes an irremediable defect in the case; and the Government are therefore unable to sanction the payment of any gratuity.

3. It does not appear who is responsible for the removal of the applicant without medical examination, an irregularity which has caused the loss of the gratuity to the applicant, who was an old servant of the State, and to his heirs; and was further opposed to the strict and repeated orders of Government. His Excellency the Governor in Council must also remark on the great delay, from March 1868 to April 1869, which was permitted to take place before the case was sent to the Examiner of Claims. It is stated to have been owing to the time required for the examination of the records of thirty years; but this explanation cannot be considered satisfactory. If the records were properly kept to trace an individual's services by the pay abstracts for a period of thirty years, should be a work of hours, not of months. The Collector should hold the Deputy Collector in charge of the Treasury responsible for the preparation and speedy submission of applications for pensions and gratuities.

16. The period during which No 14 Pandite Pitchaya was without employ, was not included in the Statement of Service. The period during which he was out of employ is now inserted in red Ink in the list of his Service as required.

18 The applicants Nos 14 & 25 did not receive any guantity for their past Services when they were dispensed with on the 31 March 1864 & 1 April 1844 respectively. Replies to the Memo
dated 15th May 1869.

26a No Certificate appears to be required in Case No. 14 under Government Proceedings No. 25 dated 21st January 1869 Para 3, as the individual has served for upwards of 30 Years.

28 A Copy of the Boards Standing Order No. 399 Para 4 is herewith forwarded. It will be found printed in Mr. Dalyells Edition of Boards Circular Orders Pages Nos 408 and 409.

32 In case No. 8 the correct period of Service is inserted.

39. On a reference to the Pay abstracts, it is found that Bálaprasád was on the receipt of the Salary of Rs. 15 from the 22nd October 1855 to the 24th October 1856

The entry of Rs 10 in the Annual Return for 1856 is apparently erroneous; a Copy has not been found in the Office.

40 Mahomed Khudbe Sahib did not resign his post in the Revenue Department, but was directed under the Order of the Collector No 245 of 8th April 1854 to join Mr R. C. A. Marshall, by whom Khudbe Sahib was paid for the time.-

It appears to have been an arrangement made for the convenience of Mr Marshall and of the Public Service.-

Dy Collector-of the application. In reply the Collector reported that the applicant had died in January 1869, and therefore that no medical certificate could be procured.

2. The absence of the medical certificate constitutes an irremediable defect in the case; and the Government are therefore unable to sanction the payment of any Gratuity.

3. It does not appear who is responsible for the removal of the applicant without medical examination, an irregularity which has caused the loss of the Gratuity to the applicant, who was an old servant of the State, and to his heirs; and was further opposed to the strict and repeated orders of Government. His Excellency the Governor in Council must also remark on the gre delay from March 1868, to April 1869, which was permitted to take place before the case was sent to the Examiner of Claims. It is stated to have been owing to the time required for the examination of the records of 30 years; but this explanation cannot be considered satisfactory. If the records were properly kept, to trace an individual's services by the pay abstracts for a period of 30 years, should be a work of hours, not of months. The Collector should hold the Deputy Collector in charge of the Treasury responsible for the preparation & speedy submission of applications for pensions & gratuities.

H.C.

In a case somewhat similar to this (G.O. 7th March 1868) Govt. passed a Gratuity payable to the legal heirs. But it is submitted that where the claim is imperfect, Govt. should not overstep the rules simply because the imperfection cannot be remedied. Allowances of this kind are intended as a solatium to old servants on their retirement, and are of a personal character. To pay them to heirs at all seems anomalous, and to transgress the rules for the purpose doubly so. The present case, in which the title to the allowance is incomplete, is at all events distinguishable from the ordinary cases where the payment is sanctioned to the heirs of a person dying in the interval between the submission of a complete application & its sanction, and where arrears of sanctioned pensions are disbursed to heirs of the pensioners. Should Govt. sanction the gratuity in the present case, the confirmation of the Govt. of India will be necessary. It is true that the defect is due to the fault of Govt. officers; but that is a reason for making them pay. A rule to this effect will alone make them take
