Diary Order.

Referring to Diary Order of the
15th August 1853, Mr. Petersen is re-
appointed to act as Bullion Keeper and
Treasurer and Messrs. Stubbs and
Silva will resume their former situations.
This arrangement to be carried into effect
on the 10th Instant.

Certificate

Mr. A. G. Petersen was appointed
to the situation of Book Keeper in the
Mint Office about 5 years ago and after
a few Months promoted to his present
situation of Bullion Keeper and
Treasurer. After two years it was
found that this promotion was premature,
and I was compelled to remove Mr.
Petersen

23
Petersen to an inferior post, temporarily
on account of the injury to the public
service and inconvenience to the Officers
and Servants of the Department
arising from his remissness inattention
to my orders, and defects of temper.
He was again restored to his present
situation in May 1854 and I have
since that period have had no occasion
to find the least fault with him;
and it gives me great pleasure to record
that he has always merited praise for
his general punctuality in attendance
to business and industrious attention to
the current duties of his department.

To The Chief Secretary
to Government
Fort St. George

Sir,
I have the honor to forward applica-
tions for Pension and Gratuity on behalf of
Six Men of the Mint thrown out of
employment by the abolition of the establish-
ment.

Not received

- 1 Mr. A. Bowie Supt. of Machinery
and Foreman of the Works
- 2 Mr. A. G. Petersen Head Accountant
Mint Office.

Separately Disposed of

- 3 Yamacherry Filer Artificers Room.
- 4 W. Veeraswamy Chetty Accountt. Mint Office
- 5 Mancelamoney Conicopoly Store Room.
- 6 M. C. Narain Engineer Driver Copper Room.

The

The following remarks regarding these men's services are by Colonel Carpendale late Mint Master.

3 Mr. A. Bowie's service which extends over 36 years in all commenced in the Gun Carriage Manufactory as a Carnatic Ordnance Artificer from whence he was transferred to the Mint in December 1841 carrying with him under the special sanction of Government his service in the former establishment. In the statement of his service on the second page of the Application, there appears a break from the 14th of December 1841 to the 1st January 1842 which is thus explained. The former was the date to which he is reported to have received pay in the Gun Carriage Manufactory and from which he was struck off the strength of the Carnatic Ordnance Artificers establishment, and the latter is the date from which he was brought on the strength of the Mint Establishment, as certain modifications of the Mint Establishment by which a place became

became available for him were not communicated by the Mint Committee to the Mint Master until the 29th December 1841 Vide Minutes of Consultation Military Depart^t. N^o. 4771 dated 14th December 1841 republished in Financial Depart^t. 21st December 1841. There does not consequently appear to be any real break in the service.

4 Mr. Bowie's salary as Superintendent of Machinery was Rs. 250 a month, and he enjoyed since 9th March 1865 to 31st May last an extra salary on the Contingent list of Rs. 50 on account of additional labor and responsibility thrown on him by the economical arrangements made for the Superintendence of the Iron Foundry on the death of One Mr. Clarke who had been in the receipt of Rs. 250 Monthly, and which arrangement received the sanction of Government in order in the Financial Depart^t. N^o. 169 dated 25th March 1865. I understand by Notification of the Government of India N^o. 1422 dated 25th June 1869 it is

is permissible to count this sum, which is a personal salary, in striking the average of the past five years to regulate the amount of Mr. Bowie's pension in which case he would be entitled to \$146 a month; However this may be earnestly beg a favorable consideration of Mr. Bowie's case by Government on account of his long, most useful, and indeed meritorious service; Throughout his whole career in the Mint, he has been remarkable for diligence, activity, integrity and honesty of purpose.

Mr. W. G. Petersen Head Accountant has served nearly 19 years. His salary was \$250 in the Mint Office and \$50 as Manager in the Stamp Paper Dept. from which he appears entitled to a pension of \$72.70 per Annum. It will be observed in his Statement of Service that several periods are entered as "Acting" In regard to which, I have nothing to add to my general remarks on other cases in the course of the last two months which equally apply in this case except to

Petersen

to explain that when Mr. Petersen was appointed Acting Treasurer and Bullion Keeper on 1st June 1851 he held the permanent situation of Book Keeper and on his nomination to the higher situation vide Diary Order 17th May 1851 attached he ought in my opinion to have been continued on the books as filling the permanent post of Book Keeper and Acting in the situation of Treasurer and Bullion Keeper but this it would appear was not done because the place was required for a Mr. Stubbs who was unfit for charge of the Melting Room.

6 Mr. Petersen continued to act as Bullion Keeper until 1st September 1853 but not having given satisfaction he was removed to the inferior situation of Head Store Keeper on 50 \$ a month still Acting vide Diary Order 15th August 1853. On the 10th May 1854 he was re-appointed Acting Treasurer and Bullion Keeper and having given full satisfaction was confirmed in the situation on the 1st April

1855. Vide Certificate from Colonel J. A. Smith Mint Master dated 25th August 1855. It consequently appears to me that Mr. Petersen was to all intents and purposes a permanent servant during his career although for long periods styled Acting. In reference to his last acting appointment namely from 16th March to 31st May 1867 which affects his average salary for the past five years I append a copy of my diary Order N^o 608 24th June 1867 and although the words "with retrospective effect" do not appear, it certainly was my intention in using the expression "the Acting Appointments are made permanent" that they should be considered permanent from original dates.

7 I am doubtful whether Mr. Petersen should be allowed to count his salary of 50 £ a month as Manager of the Stamp paper Department at the Mint in striking his average salary if he in that Department is to be continued at the Mint, and Mr. Petersen

as

as Accountant of the Bullion Depot to remain in charge of it, and I beg to draw the attention of Government to the circumstance.

Signed J. Carpendale Esq.
