Madras Collector's Office
Sundapet 15th December 1868.

From

E. G. R. Jans Esq.

Collector of the Madras District.

To
The Honorable R. S. Ellis Esq.

Chief Secretary to Government.

Sir,

With reference to the order of Govern-
ment, Pension Department, dated 21st
August 1862, No. 279, discontinuing the
pension of one Lakshmi Boya on the ground
that her son Kuppia Rao, Taidar of Ponnay
who had hitherto been in receipt of Rupees
70 per mensem only had then obtained an
appointment of Rupees 150 per mensem and
sufficient therefore to allow of his supporting
his mother without difficulty, I have the
honor to state that Kuppia Rao having
applied for pension on the 17th July his income
even if the highest pension he was entitled to
will again fall to Rupees 75 per mensem,
under these circumstances Kuppia Rao
has represented to me that he considers
that the Government ought to restore to his
mother the 20 Rs. per mensem pension from
the date of his application for pension &c.

- specially

38
specially as the cost of living has so
greatly increased of late years and
consequently the greater difficulty that
there will be for him to support his mother
adequately.

2. I beg myself to endorse Hupper-
-Raw's application with the remark also
that his mother being now a very old
woman nearly 90 she will not probably
be very long a burden on the State.

I have the honor to be
Sir

Your most obedient servant

J. H. H. H.

Lakshmi Boyce the mother
of Kappu Rao, late Tahsildar
of Ponnery, was formerly in
receipt of a Pension of Rupees 30
a month under the provision
of the late Native Pension
Fund Rules. This allowance
was granted for the support
of herself and three sons,
to be reduced by Rupees 5 on
each of the sons attaining the
age of 18. In 1854 Lakshmi
Boyce's pension amounted to
Rupees 20 per mensem, two
of her sons having died; and
the third, Kappu Rao, being

then employed in the Public
service on a salary of Rs 70.
In 1862, when Kuppur Rao was
appointed Tahsildar of Pannery,
on Rupees 150 a month, the
Government in accordance
with the proviso under which
they had continued the pension
to Lakshmi Boyce, stopped
payment of the latter's pension,
as it was clear that her son
was then in a position with-
out difficulty to support his
mother.

2. The Collector in his
letter above recorded now
represents that Kuppur Rao
applied for pension last year,
and that the highest rate
of Pension which can be granted
him is Rupees 75.

3. Looking at the cir-
cumstances under which
payment of the pension was
stopped, at the very considerable

reduction

reduction of Kuppur Rao's in-
come on retirement on pen-
sion, and at the very advanc-
ed age of his mother, the
Government resolve to revive
the pension of Rupees (20) twenty
formerly granted to Lakshmi
Boyce, with effect from the
date on which Kuppur Rao
ceased to be employed in the
Public Service
