From

H. S. Thomas Esquire
Acting Collector of South Canada

To

The Honorable A. S. Ellis C. B.
Chief Secretary to Government
Revenue Department
Fort Saint George.

Sir,

I have the honor to submit, for the orders of Government, a Register of application for gratuities on behalf of certain Revenue Servants of this District who were thrown out of employ by the late revision of Establishments and who have now preferred applications to me for the above allowance in pursuance of the Notification issued by the Board of Revenue, under date the 30th January last, with reference to the order of Government, in the Revenue Department, dated the 22nd idem, N^o 175.

2. The applications are all from Persons who were discharged long since, but for whom no recommendation for gratuities appears to have been submitted heretofore by my predecessors

for reasons which I am not now able to explain, there being nothing on record to inform me why the names of these individuals were omitted when a general List of Persons to whom gratuities were payable on account of reduction of Establishment, was prepared and submitted to Government in 1863.

3. From a scrutiny into the past conduct and services of these applicants, however, I can find nothing to prejudice their respective claims to the gratuities for which they are now recommended, and I accordingly submit their case for the favourable consideration of Government.

4. I have taken the opportunity of inserting in the present Register the name of one Rethpandi Krishna Rao, late a Monegar on the old Salt Establishment of this District, who has also applied to me for a gratuity under the notification of the Board above referred to, though he was not strictly thrown out on reduction of Establishment. This individual being found unable, from old age and infirmity, to discharge his duties with efficiency, was removed from

from his situation in 1863 when the Salt Establishment was revised, and it appears that an application for a gratuity was not then submitted on his behalf because his son was provided, at his request, with a situation on the new Salt Establishment. The fact of his son being appointed to the Government service does not, however, it appears to me, bar a claim for gratuity on the part of the father, and I accordingly submit his case also for decision. As he was not mentioned in consequence of reduction of Establishment, a medical Certificate of incapacity for further service is enclosed to support his claim for a gratuity of four months pay.

I have the honor to be,
Sir,
Your most Obedient Servant,

M. M. M.
Acting Collector.
