Extract from the Proceedings of the Sadr Adalat
under date the 10th September 1834.

I read extract from the Minutes
of Consultation dated the 5th Instant in the
Judicial Department conveying the orders of
the Right Honorable the Governor in Council
upon the letter from the Sadr Adalat dated
10th June 1833 relative to the classification of
the Moonsiffs.

1. By the first Para of the above
Minutes of Consultation it is shown that the
Regulation for remunerating the District
Moonsiffs by fixed monthly salaries has been
passed by the Governor General of India
in Council and that the proposed rates of
allowances have been approved viz: 140 Rupees
per mensem as the salary of the each Moonsiff
of the 1st Class with 85 Rupees for his estab-
lishment 115 Rupees per mensem as the salary
of each Moonsiff of the 2^d Class with
70 Rupees for his Establishment & 100 Rs.
per mensem for each of the 3^d Class with
60 Rupees for his Establishment.

2. In the 2^d Para the expediency
of revising the location of the existing
Moonsiffs is adverted to, so as to place,
in the first Class, the most distinguished
for ability and integrity and the others
successively in the 2^d and 3^d Classes ac-
cording to their merits.

3. In the 3^d Para it is stated
to be the opinion of the Right Honorable
the Governor in Council that periodical
changes in the classification of the District
Moonsiffs would be inexpedient & that
degradation from a higher to a lower class
is a fit provision for the punishment of
idleness considering dismissal from office
too severe except for gross and continued
neglect of duty after repeated warn-
-ing. The degradation or dismissal being
subject to the approval of the Provincial
Court.

4. In the 4th Para is the approval
by Government of the Tynad Moonsiff
being placed in the 2^d Class.

5. By the 5th Para the opinion of the
Lado Udahut is required as to the classification
of the 4 new Moonsiffs authorized for Canara
and Malabar.

6. As intimately connected with
the subject the Court would here advert
to Para 8 of the letter from the Secretary
to Government in the Judicial Department
dated the 12th April 1833 stating that the
Right Honorable the Governor in Council
"entirely concurs with the Judges in thinking
that the nomination of the Establishment
of the District Moonsiffs should be vested
in the Lillah Courts who should have
full control over them subject to the super-
intendence of the Provincial Courts."

7. With the view of carrying the
intentions of the Right Honorable the Governor
in Council into effect the Court of Lado Udahut
resolved that copy of paras 4, 5, & 6 of the above
Minutes of Consultation be furnished to the
4 Provincial Courts of Appeal and that
copy of the 4 and 5 be also furnished to
the Provincial Court in the Western Division
with

with Extract of these Proceedings by Post
returnable without delay.

8. The 4 Provincial Courts, will
on receipt of Extract of these Proceedings put
into preparation, with reference to the orders
of this Court of the 3rd May 1833 (copy of
which and of the statement referred to will
accompany these proceedings) in communication
with the several Lillah and Assistant Judges,
the measures that will be required, on the
promulgation of the Regulation, to fulfil
the intentions of Government. But it is to
be clearly understood that no alteration in
the existing mode of paying the Moonsiffs
is to take place until the Regulation in
question reaches the provinces.

9. The provisions of Para 8 of the
Minutes of Consultation will, it is ex-
pected be particularly regarded.

10. The Provincial Court in the
Western Division will communicate Para
4 to the Assistant Judge of Malabar
and in furnishing this Court with the
result of their proceedings under the
orders

orders of Government of 16th May 1834 they will recommend the class in which each of the new Moonsiffs should be placed, in Malabar and Canara.

(True Extract)

(Signed) G. L. Prendergast.
Secty. Dy. Registrar.

Extract from the Minutes of Consultation under date the 5th September 1834.

1. The Governor General in Council having passed the Regulation for remunerating District Moonsiffs by fixed monthly salaries instead of fees and approved the rates of allowances proposed to be granted to them according to the classes in which they may be placed, vizt;

By	Allowance for Establishment
Repees	Repees.
1 st Class 140	85
2 ^d 115	70
3 ^d 100	60

The Governor in Council proceeds to pass orders upon the Letter from the Sadr Adalat relative to the classification of the Moonsiffs.

Dated 18 June 1834.
entered in Cont. Reg.
July 1834.

It appears to the Governor in Council to be expedient to take this opportunity to revise the location of the existing Moonsiffs, as as to place in the 1st Class those who are most distinguished for ability and integrity, & the others, successively, in the 2^d & 3^d Classes, according to their merits. The new arrangement should be submitted by the Dillah or Assistant Judges to the Provincial Courts for their sanction, with a full explanation of the reasons of the proposed changes.

2. Referring to the observations of the Sad. Adalat in the 5th Para of the letter under consideration the Governor in Council observes that periodical changes in the classification of the District Moonsiffs would be inexpedient but degradation from a higher to a lower class, he conceives to be a fit provision for the punishment of idleness. Dismissal from office he thinks would be too severe except

on except for gross and continued neglect of
my duty after repeated admonition. Depriva-
tion as well as dismissal should be
subject to the approval of the Provincial
Court.
